Troendle reported that he has updated city administrator McCarty on the task force and venue coordinator's work with the neighbors.

# AGENDA ITEM 6: Kilty Fund Update/Library Supplemental Funds Report

Richie recapped for the board that per the legal advice of the city attorney, the Kilty fund needs to remain a fund of the city. Fund 233-Kilty Fund was established to hold this unrestricted gift at the city for use by the library.

A list of gifts received by the library during the third quarter of 2017 was included in the October Board packet for review and approval.

### **AGENDA ITEM 7: 2018 Operating Budget**

Troendle reported that a revised library budget was compiled to align with the approved operating levy for 2018, a 4% increase from 2017. Troendle detailed the key changes made to the revised budget as provided in the October Board packet:

- \$5,000 Reduction in Electricity
- \$3,000 Reduction in Telephone
- \$2,921 Reduction to Building Repair Charges

Regarding personnel costs, Troendle clarified that savings were achieved through an adjustment of insurance costs to reflect both 2018 rates and projected employee enrollment. Troendle confirmed that the higher results from the classification/compensation study were used for budgeting purposes with the exception of salaries for the Director and Assistant Director positions that were adjusted to reflect actual or projected expenditures in 2018. Troendle confirmed that the salary for the Assistant Director position was included in the budget.

It was clarified that the expenditure line item of Collection Development refers to purchases for the St. Croix Collection.

### **AGENDA ITEM 9: Classification and Compensation Appeal**

Troendle reviewed that at the September board meeting, it was decided to move forward with the appeals process. The appeals, which were reviewed and signed off on by the Interim Library Director and the City of Stillwater's Human Resources Manager, were uploaded by Troendle to the Flaherty & Hood secure FTP site on September 14 after speaking with the Human Resources Manager. Troendle also confirmed receipt of the files with Flaherty & Hood.

On October 9, a preliminary update was received from Flaherty & Hood. Troendle had questions for the consultants about the report and copied the City Administrator and Human Resources Manager. Flaherty & Hood replied they are reviewing the issue.

Though the final report is not yet available, Troendle said appeals for eight classification levels were submitted, with the following pending results:

- Three of eight appealed classifications would have no change in salary grade when comparing the current appeal results to the grade determined in April.
- Five of eight appealed classifications would have a change in salary grade when comparing the most current results to the grade determined in April.
- It was recommended that two positions receive new job titles.
- Also, in April, the consultants recommended a specific position be reclassified at a higher level.
   This finding was not appealed because the employee in this position agreed with the consultant's recommendation.

After clarification is received from Flaherty & Hood, and the final report is delivered, Troendle would like to do the following, unless the board provides different direction:

- 1. Communicate to the city the study is complete;
- 2. Verify points with the city;
- Notify each affected employee of the result of their appeal, including final points calculated, proposed salary grade, any recommended job title change, and any other information as recommended by the city.

Bell asked if a date for the final report was known. Troendle said a specific date was not provided, but he estimated it may be available within a week.

### **AGENDA ITEM 10: Preparing for Director's Six-Month Performance Evaluation**

Keliher reported that the director's job offer included the opportunity for a "salary increase of \$2,000 upon satisfactory performance review after completion of six months of employment." The Executive Committee recently met to discuss the evaluation process and recommends the following:

- Start the evaluation process in early March, after six full months.
- Use the existing director evaluation document, with a few minor adjustments to account for the relatively short period of time that will have passed. The document -- with proposed edits shown in red was included in the October board packet.

# STILLWATER PUBLIC LIBRARY BOARD OF TRUSTEES MEETING October 10, 2017 <u>Minutes</u>

- After each board member completes the evaluation form, the board chair will compile into a single composite evaluation -- according to the board's established director evaluation process.
- The board will enter a closed session during the regular April meeting to discuss the composite evaluation and any necessary follow-ups or other outcomes.
- After the board's discussion, the executive committee will meet with the director to discuss the
  evaluation.

Richie and Keliher also discussed that they are consulting with Donna Robole, City HR Manager, regarding the city's progress and timeline of a city-wide performance evaluation process. The timing of a new city system is unknown and will likely not be in place by the sixth-month review period.

Motion to approve process as outlined on the in the coversheet for Agenda Item 10. MSP.

### **AGENDA ITEM 11: Director and Other Staff Reports**

#### NOTES:

Budget line 230-0000-3880-0020 Library Card Fees: The Library initially budgeted \$10,212 in library card fees with a majority of revenue raised from library cards sold to Lake Elmo residents. Since Lake Elmo is rejoining WCL, library card fees may no longer be charged to its residents beginning on July 1. In August, the library did receive one final payment for the sale of Lake Elmo cards in June. \$8,129,13 represents the total received through August with no additional fees expected from Lake Elmo. Minimal additional revenue is projected for 2017.

Budget Lines 230-0000-3880-0030 Lost/Damaged Materials Fees and 230-0000-3880-0040 Processing Fees: Revenue totals indicate that the library has received approximately 50% of budgeted dollars through September. A portion of this revenue comes from WCL reimbursement payments when a patron pays online or at another branch for a Stillwater item. These payments from WCL for Q3 and Q4 have not yet been received. Estimated receipt of Q3 payment is November. Staff in contact with WCL to discuss the pace of lost/processing revenue to date for SPL and WCL.

Budget line 230-4230-1111-0000 Severance Pay: This reflects severance compensation of \$22,477.62 paid out to retiring director and \$13,941.52 to the retiring assistant director. This expense is covered under the reserved fund balance for compensated absences. At year-end, monies will be transferrred from 230-0000-2610-1000 Fund Balance-Comp Absences account (at \$67,248.39) to offset expense.

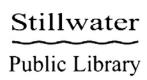

Budget line 230-4230-1113-0000 Vacation Pay: \$13,182.19 of this line item reflects a Vacation Payout out to the retiring director and a \$503.44 payout to the retiring assistant director. This expense is covered under the reserved fund balance for compensated absences. At year-end, monies will be transferrred from 230-0000-2610-1000 Fund Balance-Comp Absences account (at \$67,248.39) to offset expense. The other vacation paid represents vacation time taken by staff, including time taken by the assistant director at the end of her employment, and is budgeted under regular salaries.

Budget Line 230-4230-3099-0000 Other Professional Services: This reflects expenditures for the interim director search, interim director contract, and library director search. \$3,750 was paid to Library Strategies for the interim director search. \$46,426 was paid through September for the interim director contract. \$19,550 was paid through September to John Keister & Associates for the library director search. No additional intermin director or search firm expenses are expected. Expenses projected to be offset by budget savings from the open Director and Assistant Director positions.

Budget Line 230-4230-3707-0000 Maintenance Agreements: A majority of the budget is allocated to Bibliotheca for support and software maintenance of the automated materials handling equipment, self-checks, and portable workstation. \$8,229.44 was paid in December 2016 for the 1/15/17 self-check contract using the 2017 pre-pay account line. This expense was transferred to the Maintenance Agreement account in September by Finance and now is appearing in expenditure totals. Additional Bibliotecha contract expenses for December are projected at \$9,000.

Capital Budget Lines 230-4230-5200-000, 230-4230-5300-000, 230-4230-5310-000: In September, the following capital expenditures were invoiced: \$3,925.00 for additional meeting room tables for Margaret Rivers. Capital Budget Line 230-4900-5200-000: No invoices in September.

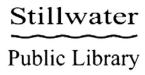

Budget Line 230-4231-3703-0000 Building Repair Charges: Building repairs are running higher in 2017. A full servicing of the upper level and north street stairwell floors plus increased elevator maintenance repairs have been the major expenditures.

Mr. Mark Troendle Library Director Stillwater Public Library 2224 Third Street North Stillwater, MN 55082

Re: Labor Relations Representation

Dear Mr. Troendle:

I am writing in follow-up to our discussion to reiterate that we are very interested in representing Stillwater Public Library in conjunction with labor relations matters.

As you are aware, our law firm is focused on representing public employers in various employment and labor relations matters, with particular emphasis on representing counties, cities, and other public sector entities in contract negotiations, mediation, impasse and grievance arbitrations. We take pride in the quality of services we provide our clients and our responsiveness to our clients' needs. We believe that our reputation as management representatives in the field of labor and employment law is excellent and we have established long-term ongoing relationships with the public employers who have retained our firm. In addition to the City of Stillwater, we represent both large and small public employers throughout the State of Minnesota. In Greater Minnesota, we represent such counties as Blue Earth, Brown, Faribault, Lac qui Parle, McLeod, Mille Lacs, Sibley and Wilkin, and cities such as Granite Falls, Jackson, Mankato and Willmar. Some of our larger clients include the counties of Carver, Dakota, Olmsted and Wright and the cities of Bloomington and Rochester.

Our philosophy in contract negotiations is to maximize results for our clients, present our clients' proposals, positions and interests in a positive manner, and achieve an acceptable negotiated settlement in a manner that minimizes conflict. We are cognizant of the impact that adversarial approaches can have on employee relations and the long-term relationship between the employer and the exclusive representative of employees. We remain current on the trends in bargaining with respect to issues, settlement patterns and external law. Our proposed fee for labor and employee relations matters, including negotiations and mediation, is \$150.00 per hour.

# MADDEN • GALANTER • HANSEN, LLP ATTORNEYS AT LAW

Mr. Mark Troendle October 23, 2017 Page 2

We have successfully represented many counties and cities grievance arbitration hearings. We believe that the most successful approach to arbitration cases is to have a thorough knowledge of all the facts, develop a theory for the case, and prepare and present the case in a thorough, understandable manner consistent with the theory. We are proposing an hourly rate for arbitration of \$160.00 per hour.

We can explore a variety of options to keep our costs down, including providing consultation by telephone about proposals and strategy in lieu of serving as the chief spokesperson for the Library at the table; attending closed sessions by telephone with the Board rather than in person, or scheduling closed sessions on the same date as negotiations.

We look forward to hearing from you, and we are available to further discuss our qualifications and interest in representing Stillwater Public Library.

Sincerely,

Susan K. Hansen

### Report from the Library Director, Mark Troendle

The Finance Committee met twice in October. At the first meeting, 2018 operating and capital budget proposals were reviewed, along with third quarter gifts received. At the second session, the committee members and I met with the auditor, Christopher Knopik, to review processes and clarify various questions. It was a productive, informative discussion. Mr. Knopik talked about how externally funded positions, such as the Venue Coordinator and Volunteer Coordinator, play an important role in the operations of this library and how we might better share this information and enhance transparency through a remedy that involves booking a donation and expense line item. The auditor added that it makes sense to keep these as separate contract positions.

City Administrator Tom McCarty and I met and scheduled regular monthly meetings for the next year to facilitate communication between the library and city. Rose Holman, City IT Manager, and I met to review 2017 and 2018 technology-related budget requests so that we can efficiently coordinate our efforts. After the final classification and compensation report was received from Flaherty & Hood, Human Resources Manager Donna Robole and I conferred to review the information so that I could then notify each affected employee of the result of their appeal. Donna was most helpful in answering my questions.

Meetings with colleagues in October included separate discussions with the directors of Washington County Library, Dakota County Library and Carver County Library, as well as a Big Read planning session at ArtReach. I also invited Brian Kraft of Washington County Library (WCL) to a coordinator meeting because of his background and expertise in technical services to talk about new processes needed after a contract was signed with Baker & Taylor for Customized Library Services in August. At this meeting, we learned that as part of this shift, Stillwater Public Library staff will need to assume various technical services-type duties that have been performed by WCL in the past and through the end of this year. We continue to gather information and examine options to determine how to best proceed.

Internal coordinator meetings were moved to a different day and time to better accommodate work schedules. I'm adding more structure and predictability to existing internal meetings, partly by having regular and standardized agendas.

Other meetings attended included the Stillwater City Council, Friends of the Stillwater Public Library, Stillwater Public Library Foundation, Library Events Task Force, Labor Management Insurance Work Group, and consultations with interior designer Lynn Barnhouse. I collaborated with Gemma Lockrem of our Friends group to revise their receipt form for donated materials. Also, I toured the remodeled police station, which has much more space and new equipment to process evidence. The police department is working with Museology Museum Services on displays, too. Mike Keliher, Fred Rengel and I collaborated to send a small token of appreciation to Rich Sommer for his generosity to the library.

Keri Goeltl devised a credit card tracking form for staff use after learning the city uses such a form. The library's version is significantly modified to better meet our needs. I established a new business account with an online vendor for the library, with requisite required approvals needed.

The library had a presence at the remodeled Cub store in Stillwater on October 25 from noon – 3:00 p.m. I was only able to stay for about 30 minutes, but Library Associate Susan Fremming, who was present the entire time and created a visually appealing table display, provided the following statistics:

- 55+ contacts with the public (a contact included a conversation, not just a give-away)
- Given away:
  - o 48 donated packets of hot chocolate with information about our winter reads program
  - o 25 ice scrapers from a prior year's program
  - o 8 November library calendar of events
  - o 3 library databases brochures
  - o 3 "Creepy Books for Halloween" booklists for adults

- MEA weekend, which was extended for 6 days for Stillwater Schools students, meant increased activity at the Public Services desk

### Technology

• Jesse has finished configuring the laptop cart and shared some documentation. Library staff is refining our notes and working on a way of properly tracking use of the cart.

### **Partnerships**

Susan worked on an outreach opportunity at Cub Foods. She created a very attractive
display of library resources and handed out 48 packets of hot chocolate with information
about the MELSA Winter Reads program. It was a good opportunity for library staff to talk
about refining library's presentations for similar events in the future.

October 5-6, Angie was fortunate to attend the Minnesota Library Association Annual Conference in Rochester. Other sessions included, "Transforming Summer Reading: Using Outcomes to Create More Impactful Summer Reading Programs" and "Leave it to the Teens: Running a Successful YA book club". Angie has been discussing new ideas with staff.

  may consider rearranging the layout to make improvements on use of space. This could include

# STILLWATER PUBLIC LIBRARY FOUNDATION BOARD MINUTES September 29, 2017

MEMBERS PRESENT: Andy Kass, Dustin Moeller, Jean Morse, Sandy Nicholson, Sarah Quickel, Merilee Read, Fred Rengel, Carol Stabenow, Kathy Thueson, Mark Troendle, Eric White - OTHERS: Keri Goeltl

WELCOME & INTRODUCTIONS: Board President, Fred Rengel, called the meeting to order at 7:30 a.m. Fred introduced new board member Sarah Quickel and members introduced themselves and welcomed her to the group.

Fred also read a thank-you note from Interim Library Director, Melissa Brechon, for the Board's recognition of her at the August meeting.

SECRETARY'S REPORT: The motion was made, seconded, and unanimously approved to accept the Secretary's Report for the August, 2017 meeting as written.

FINANCE COMMITTEE & TREASURER'S REPORT: Dustin reviewed the August, 2017 Balance Sheet, Profit and Loss YTD Report, and the Profit & Loss Previous Year YTD Report. (All financial reports are available to members in Google Docs.) Dustin stated that the SPLF finances are in line with budget projections for 2017.

<u>Dick Kilty Bequest</u> - Dustin explained that the Foundation will not be handling the Kilty Bequest as originally planned because, by law, the City must manage the funds that have been donated to it. The Library Board of Trustees must control the funds that are library-related.

<u>Budget Considerations</u> - Several budget considerations for 2018 were discussed. School year Sunday Hours was one issue – how they are valued and how they will be funded. An estimate for this expense is \$15,000. Fundraisers and events will probably continue to support this initiative as well as Phase Two of the Hearing Loops Project. The suggestion was made to evaluate the Margaret Rivers Room sound system for possible upgrades, also.

DESTINATION LIBRARY: Kathy reported that the event, which had been planned by three volunteers who were not Board members, was very well planned and executed. She shared the following comments:

"Thank you to our three committee chairs, Ann Bellows, Marty Gerkey and Nancy Martin, whose hard work and inspiration made the Destination Library event a success. Their planning and organizational efforts created an evening of enjoyment. Just as importantly, their research and fact-gathering led to the publication of several informational pieces regarding the library's history, the Jo Lutz Rollins paintings and the St. Croix Room which will become part of the permanent collections. Thanks to their efforts, the Stillwater Library Foundation Board was able to continue its mission of preservation, improvement and community sharing in a beautiful and meaningful manner.

Thanks as well to the Foundation Team: Ann Wolff, Fred Rengel, Andy Kass, Nick Gorske and Sandy Nicholson, our Library Team, Susie Danielson, Ann Young and Sandy Ellis, our Community Support Team, Nancy Haugen and Carol McKinney, and of course the 'engine' of the Foundation, Keri Goeltl."

Destination Library had one hundred and sixty attendees at the celebration. Board members will be updated regarding the finances for the event when the figures are

available. People felt that a significant strength of the evening was that people were able to enjoy seeing the library.

LIBRARY DIRECTOR'S REPORT: Mark reported that he is meeting many community people including members of the City Council whom he met when he attended a Council meeting with Melissa. While becoming acquainted with SPL, he is involved with the implementation of a new cash management system and a new phone system. Additionally, he will soon be focusing on other management responsibilities such as budget planning for 2018. He remarked about the sense of dedication and devotion to the Stillwater Public Library that he perceives among the staff, community, Friends, and the Foundation.

TRUSTEES REPORT: It was announced that the Trustees are seeking a new member for 2018.

DEVELOPMENT & MARKETING: There was a brief review of the <u>Huelsmann Grant</u> that provided the Foundation \$15,000 for Light a Spark and \$10,000 for the Hearing Loops in 2017. Mark and Ann are in the process of completing the Huelsmann Foundation Funding Request Application for 2018.

<u>End of Year Fundraising</u> - Board members were reminded that the Foundation is a vehicle for donor support of the SPL. It was also suggested that Board members communicate information to donors about our endowment fund. It is helpful to be aware that language is important for directing donors' contributions appropriately.

SPLF BOARD MEMBERSHIP: Fred announced that several Board members' terms will be ending in 2017. We will be recruiting new members for future three-year terms. (A Board member may serve three consecutive three-year terms (9 years). Keri suggested that we keep development in mind when seeking new members. Andy commented that members of the Executive Committee should have specific skills to strengthen Foundation leadership. There should be an effort to "professionalize" Board members to learn skills that are relevant to Foundation work. He reminded the group that the St. Croix Valley Foundation could provide Board training to our organization without charge.

EVENT COMMITTEE REPORTS: Kathy suggested that it was a new process to work with non-Board members and that it might be advantageous to create guidelines for doing so in the future. It was also suggested that the Foundation focus on events that have a higher impact on fund-raising.

Style Speaks Vol. IV – Carol expressed her excitement about adding EnChante' to the event. The committee believes that having the style show on Friday and Saturday will provide an opportunity for more people to attend. The authors are enthusiastic about the event. A display of the author/models' works has been set up at SPL.

Other Thoughts – Andy suggested that in the style of Beer for Books, we could broaden our focus and include wines, cheeses, etc. and hold the functions in the library since attendees expressed such delight in being in the library for Destination Library.

The meeting was adjourned at 8:50 a.m.

Respectfully submitted,

Jean Morse, Secretary
