# STILLWATER PUBLIC LIBRARY BOARD OF TRUSTEES MEETING September 13, 2016 <u>Minutes</u>

PRESENT: Bell, Hansen, Keliher, Menikheim, Richie, Stark

ABSENT: Carlsen, Otte

**STAFF:** Bertalmio, Goeltl

**AGENDA ITEM 1: Call to Order** 

Meeting called to order at 7:00 pm by Keliher, President

**AGENDA ITEM 2: Adoption of Agenda** 

Agenda adopted. MSP.

**AGENDA ITEM 3: In-Person Public Commentary** 

None.

**AGENDA ITEM 4: Consent Calendar** 

Consent calendar adopted. MSP.

#### **AGENDA ITEM 5: Event Operations**

A committee of Board members has met with neighbors several times to try to ease the effects of events at the library. The library has made efforts to implement a number of suggestions from the neighbors. On September 8, 2016, the library received a letter from a neighbor with additional mitigation suggestions. This letter along with a document titled "A brief statistical look at events in 2015" was included in the September board packet.

Five neighbors of the Stillwater Public Library Neighbor attended the board meeting. They reviewed the concerns and suggestions outlined in an amended version of the September 8, 2016 letter (included as an attachment to minutes).

The board asked the President and Library Director to meet with the Event Manager to discuss the options presented by the neighbors and present recommendations to the board in October.

The neighbors also raised the issue of a special use permit. Menikheim will approach the Council to see if a special use permit is required for the library to hold events.

### AGENDA ITEM 6: Strategic Plan Update & Assessment

Board discussed the library's progress on the Strategic Plan as presented in the Implementation Plan, Strategic Plan Assessment, and Dashboard documents in the September board packet.

On the Assessment document, the Board suggested the following:

• Goal 2 – Strategy 2: Maximize human resources: Add more quantifiable information such as number of conferences attended, dollars allocated to training, etc.

Note: The notation MSP is used in instances of unanimous approval of a motion. In the event of division, the vote of each trustee voting will be recorded.

### STILLWATER PUBLIC LIBRARY BOARD OF TRUSTEES MEETING September 13, 2016 Minutes

Goal 3, Strategy 2: Increase public awareness of Library services: The assessment discusses the
purchase of Civic Technologies by WCL. Board requested additional information be provided
about this product.

#### **AGENDA ITEM 7: Building Reconfiguration: Construction & Teen Library**

Library has a signed contract with Gardner Construction. Bertalmio met with Gardner on September 12, 2016 to determine schedule and sequencing of project.

The board discussed using the Lawson Short Term Fund to redo the teen library, which will be affected by the reconfiguration of the service desk. MSR has proposed a fee not to exceed \$4,000 to perform the teen room redesign and furniture selection.

Motion made to approve \$4,000 design fee for the teen area. MSP.

### **AGENDA ITEM 8: 2017 Budget**

The Council adopted a levy on September 6, 2016 that provides the library with no increased support for the operating budget. This levy requires the library to reduce its proposed operating budget by \$56,729. The Director asked for ideas and guidance from the board on how to approach this sizeable reduction. The Director and Finance Committee will then present a menu of options at the October meeting.

Board discussed the Council meeting and the challenges presented by a flat budget. Board asked Bertalmio to draft budget reduction options for board review in October. Board asked Keliher to draft a response letter to the City Council regarding the levy, the WCL meeting, and next steps.

Director Bertalmio and City Administrator McCarty will meet with Washington County Administrator Molly O'Rourke and WCL Director Keith Ryskoski on September 15, 2016 to discuss relationship between WCL and SPL.

### **AGENDA ITEM 9: Board Vacancy**

Applications for the vacancy on the Library Board of Trustees are due on September 26, 2016. Board members Doug Menikheim, Maureen Bell and Kathy Stark will interview applicants.

#### AGENDA ITEM 10: Set Aside \$4,604 of Fund Balance for Class/Comp Study Fee

The City hired a firm to complete a classification and compensation plan. The library's portion of the cost to conduct the study and plan is \$4,604. The Finance Committee discussed this expenditure with City Administrator McCarty who advised that the expenditure could be handled as a payment from the fund balance and that the Board should formally vote to set these funds aside.

Motion made to set aside \$4,604 of the library's fund balance to pay the library's portion of the classification and compensation plan. MSP.

### STILLWATER PUBLIC LIBRARY BOARD OF TRUSTEES MEETING September 13, 2016 Minutes

#### **AGENDA ITEM 11: Council Communication Plan**

Board discussed City Council Messaging Plan 2016-2017 included in the board packet.

Menikheim suggested that under Key Concepts, item 1 to change the use of the word "comparable" as the Library Board and City Council are not comparable bodies.

Board discussed the distinction between individual board member opinions and the voice of the board. Board also discussed the role of the Director versus the role of the Board in communications with the Council. Stark requested that the job description of the director be consulted when updating the communication plan.

Board also requested that the library is formally placed on the agenda of a city council meeting each month or quarter. A board member and director would attend and briefly update the Council on the library.

#### **AGENDA ITEM 12: Director and Other Staff Reports**

Board reviewed Director's Report included in the September Board Packet.

#### **AGENDA ITEM 13: Foundation Report**

Richie reported on the Foundation and directed the board to the Foundation Minutes included in the September board packet. Richie highlighted the upcoming Foundation events: a donor appreciation event on October 6 featuring board member Craig Hansen, Style Speaks Volumes III on Monday, November 14 and Tuesday, November 15, and Destination Library, 10<sup>th</sup> Anniversary Event, on Friday, Sept 22, 2017.

#### **AGENDA ITEM 14: Board Committee Assignments and Reports**

a) Executive Committee: None

b) Facilities: None

- c) Finance: The Finance Committee reported on revenue and cost numbers for events as provided in an email from President Keliher on August 25, 2016 to the mayor and City Council members. Email is included as an attachment to the minutes.
- d) Governance and Policy: None
- e) Human Resources: None
- f) Succession Planning Task Force: Key library staff are working on transition plans.
- g) WCL/SPL Relationship Task Force: Meeting with WCL is scheduled for Thursday, September 15, 2016.

### STILLWATER PUBLIC LIBRARY BOARD OF TRUSTEES MEETING September 13, 2016 Minutes

### **AGENDA ITEM 15: Public Commentary and Communications**

Stark discussed concerns with regarding the library "holds" system. Washington County no longer does phone and mail based notification of materials requested by patrons that have arrived at the library. Notifications are sent by email only. If a patron does not have an email address in the system, the patron will not receive notification of the hold. The patron will need to call the library or check online to find out the status of the materials.

**AGENDA ITEM 16: Adjournment** 

Adjourned at 9:56 pm.

September 13, 2016 Board Minutes: Amended events letter to Trustees distributed at meeting

September 8, 2016

Board of Trustees Stillwater Public Library 224 Third Street North Stillwater, Minnesota 55082

Re: Events held at the library

I would like to formally submit this feedback and these suggestions to the Board of Trustees of the Stillwater Public Library. My goal is for the library to adjust some of its current policies regarding the events held at the library. I am hoping that we can find compromises that will allow the library to continue to generate funds with events, but also further reduce some of the intrusions on the lives of those neighbors most affected by these events.

I acknowledge and appreciate that there has been a good faith effort this year in trying to accommodate our requests and minimize the problems. I was very happy to see the loading zone signs go up on the north side of the building, the yellow curb along the fire lane, and that someone is now stationed on the loading ramp while caterers are unloading for the events. However, there are items that were brought up in a previous meeting with some of the board members that have not been addressed.

The first item is that the signs directly across from the loading ramp do not address, specifically, loading and unloading in the fire lane. I understand that the board followed the suggestion of the fire department with these signs, but as we knew as neighbors, without specifically addressing the idea of LOADING and UNLOADING, drivers often ignore the no parking signs with the rationalization that they will only be there for a short time. That short time is very subjective, with some thinking that twenty to thirty minutes is a short time.

Another request made by the neighbors was that some of the vendors be required to load in and out in the parking ramp to help minimize the noise and parking congestion on and near the loading ramp. Although I understand that some of the vendor vehicles will not fit in the parking ramp, I fail to understand why those that do fit are not required to load in and out in the parking ramp. Moving some of the vendor vehicles to that door would help with some of the parking and loading problems on the north side of the building.

The next topic I would like to address is the City's Code of Ordinances, specifically section 31-325, wherein the city has outlined what are and are not allowable uses in each zoning district. As you know, the library is zoned as Public Administration, and the following are three uses in this zoning that are NOT allowed in the Code of Ordinances. Those uses are as follows:

- Outside entertainment, commercial (8)
- Outside sales or special events (8)
- Exterior phonographs, paging systems, musical instruments, etc. that may disturb the peace and quiet of the public.

Footnote (8) reads as follows: These uses may be approved directly by the city council if the event is a one-time special event not occurring on a regular basis.

I am in possession of the email, dated May 10, 2016, from Dave Magnuson to Doug Menikheim regarding these points. This email is added to the Board of Trustees meeting packet for June.

Mr Magnuson summarized the "talking points" as follows:

- 1) The library is a permitted use.
- 2) The events are secondary to the function of the library.
- 3) As a secondary use, the Council approved the bonding for the construction of the library addition with a terrace for event rental.
- 4) No outside music is allowed after 10 PM unless the event requests a variance and the Council holds a public hearing to approve it.

Although it is true that the City Council approved the <u>bonding for the construction</u> of the library addition, and that those plans included the terrace for event rental, there is no notation about an amplification of sound that disturb the peace and quiet of the public, even though that is noted as a use that is not allowed in the zoning codes. Although one could infer that events would have the amplification of sound, it is not stated specifically, just as Mr Magnuson points out that "regular basis" is not defined specifically.

I think anyone can rationalize that 30-40\* events in a six-month period should be considered as a "regular basis", just as most can rationalize that events of this nature will most likely have an amplification of sound. By that logic, you can or cannot assume one without the other.

On point #2, that events are a secondary use to the function of the library, I would like to point out that it is true that rented events can be considered a secondary use for this library now, it should also be pointed out that most libraries do not also operate as an outdoor event center to generate funds, so this should have been considered a new use, which would not qualify as a permissible use without a Special Use Permit. I would point to the Historic Courthouse, also zoned Public Administration, which does hold a Special Use Permit dating back to the 1980s, for its events.

<sup>\*</sup>Previously read: "...that 40-50 events in a six-month period..."

The Stillwater Public Library, although considered a gathering place for the general public, has not been granted a Special Use Permit or a Variance for the new use, which began in 2007, as an outdoor event center for the purpose of generating rental income. Although a comment at a city council meeting and approval of building plans are occasionally used as justification for a new use, when a use specifically violates a zoning code, it is usually required that it is only allowed to do so by way of a Special Use Permit from the city council.

I point all of this out because there is a case to be made that for the last ten seasons the library has been violating the City Code of Ordinances. This violation has undoubtedly\* caused problems and changed the lives of some neighboring residents.

I have spent hundreds of hours researching and documenting, and over a thousand dollars in sound proofing, legal fees and other misc. expenses all in an effort to squelch the noise and put an end to the problems caused by the library events. I have been advised that there are a\*\* few different civil options, but this would be expensive, both for the library and for myself. I strongly believe that sitting down with the Board of Trustees to try and find a compromise is the best approach at this time.

Although I would like to see the events come to an end entirely, I do not think this is a fair or equitable resolution for anyone. I do not want to stop those funds from helping maintain the services our public library provides for our community, but I do not believe that our neighborhood should pay such a high price for the library to serve the entire community. I am also very aware that the city council is not in favor of increasing the city's portion of the library's budget, leaving the library searching for ways to generate funds. Therefore, I submit the following items I would like to see implemented or changed and I welcome a discussion about these ideas:

LIMIT THE NUMBER OF WEDDING RECEPTIONS TO ONE EACH CALANDAR MONTH. The number
of vendors and how those vendors park, the alcohol, and a wedding party and guests who often
act very entitled having paid their rental fees, all seem to cause the most problems. I see a very
distinct difference in how people act when it is just a ceremony vs when they are settled in for
an eight to twelve-hour event.

I would like to see no more than ONE wedding reception or similar party-style event that allows the consumption of alcohol AND is scheduled past 10 PM each month. Ideally this could be set up to be scheduled the same day (Friday or Saturday only) every month. For example; the second Saturday of every month. This way the neighbors will always know, without having to check several emails, and we can plan accordingly.

I realize this could limit the number of wedding bookings, as some couples are adamant in wanting to have the ceremony and reception at the same location. However, as you are aware, there are more bookings for ceremony only events than there are for a combination of the ceremony and reception. I think that given time the number of ceremony only weddings and other types of events that are slowly starting to be booked will fill the financial gap that will be left by cutting the wedding receptions from three to six per month to one per month.

<sup>\*</sup> Previously read: "This violation has undoubtable caused problems..."

<sup>\*\*</sup> Previously read: "I have been advised that there are few different civil options..."

- LIMIT THE HOURS OF SUNDAY THRU THURSDAY EVENTS TO 9 AM to 9 PM. Given that the library has nearly a dozen residential neighbors within fifty to one hundred feet, unlike the Historic Courthouse, I don't think this is an unreasonable request for weeknights to include Sundays.
- 3. LIMIT THE HOURS OF ALL OTHER FRIDAY AND SATURDAY EVENTS (excluding the one reception with the option to go until midnight and the Light a Spark event) TO 9AM to 10 PM.
- 4. ANNUAL LIGHT A SPARK FOURTH OF JULY EVENT. Provided the same care is taken every year, in relation to the neighbors, as it was this year, I have no objection to the event continuing in its current form and would NOT consider this to be the one monthly event as outlined in #1.
- 5. AUCTIONEER, HORNS AND OTHER BOUNCING SOUNDS. There are few sounds that seem to bounce and amplify differently in the neighborhood. Lakeview's annual fundraiser with an auctioneer, and horn instruments seem to be two of those sounds. Although the auction was shorter this year and Anne did try to squelch the sound some, it was still more than a minor annoyance. I would like to see this auction handled without amplification. Last weekend we had an issue with a band but Anne was able to quickly adjust that volume to an acceptable level. I would like to see this response every time, instead of being told it's not too loud. Early in this summer's event season I was told, at about 9:45 PM, by the officer working a wedding reception; "I don't think it's that loud". This was his personal opinion, but he even acknowledged that he wouldn't want to live here when I pointed to my bedroom window. This should not be at each officer's discretion. If the neighbors were complaining about volume during every event, I could understand some push-back but that it not the case. I don't know that there have been more than a handful of volume complaints this entire season.
- VENDOR VEHICLES THAT FIT IN THE PARKING RAMP SHOULD BE REQUIRED TO LOAD IN AND OUT IN THE PARKING RAMP. This will help reduce the noise and congestion around the loading ramp.
- 7. FIRE LANE. Although it will be a great benefit to have someone sit on the loading ramp while vendors are unloading, our biggest problem seems to be with the tent people. They are often unloading well in advance of an event and often loading back up a day or two later. I address how this could be handled in #8. If we continue to have a person on the loading ramp and start fining these vendors, I don't think additional signage to specifically address un/loading is necessary.
- 8. FINES FOR VENDORS IF VEHICLE IS PHOTOGRAPHED IN THE FIRE LANE WITHOUT A DRIVER AT THE WHEEL. I believe this explains itself. I would think that the vendor contract could be amended to add a clause stating that \$50 will be deducted from payment if a vehicle is parked illegally. Or, if the library is not paying the vendor, deduct \$50 from the renter's deposit and they can withhold it from payment to the vendor.

9. EVENTS TO BE LIMITED TO THE FOOTPRINT OF THE BUILDING. As explained in a previous email to Mike, during a wedding event in June, part of the festivities included the amplification of music and dancing in Mulberry Street (also our driveway). This went on for about twenty minutes and unfortunately I picked that time to come home from work. I was blocked out and stuck sitting in my car in the middle of Mulberry. Amending the policy and/or contract to keep all activities (other than pictures) within the footprint of the building should stop this from happening again.

I did have one more request and that was to stop all events on Sundays, but I realized this was probably too big of an ask. When the library is closed on Sundays it is wonderful not having cars constantly turning around in our driveway and people mulling about. I know that does not sound very neighborly but the traffic and number of people has increased drastically since the library expanded and the walking path was introduced next to our property. I understand that this is simply a growing pain and there is nothing that can be done about it, but if event renters could be gently persuaded to pick a different day of the week, or even if Sunday events could be concluded by early afternoon, it would be greatly appreciated.

I would like to stress that these thoughts and suggestions are my own. Although some neighbors may agree with all of the requests, others may agree with only some or none. Those neighbors living closest to the library, who I know have had issues with the events, have been given a copy of this letter and have been notified that they are free to attend the meeting on September 13 with their own feedback and ideas.

I greatly look forward to discussing these items with you all, and I hope you find these compromises to be workable solutions.

Thank you so very much for your time.

Subject: Stillwater Public Library event revenue

Mayor and city council members,

Following up on recent conversations about events and event revenue at the library, the library board's finance committee and library staff have compiled the following data. Please let us know if you have any questions about this information.

**In 2015, the library hosted 36 events**: 3 private/non-profit, 1 corporate, 19 ceremony-only weddings and 13 weddings with ceremony and reception. Please note that these numbers include *events* only, which the library classifies separately from *meetings* --simpler, smaller gatherings that just require a basic reservation for a meeting room. **Those 36 events yielded \$60,446 in income for the library.** In the course of hosting those events, the library's operating budget incurred \$3,123 worth of event setup costs.

This \$60k in event revenue is made possible in large part by support from the Stillwater Public Library Foundation, which pays for:

- a \$24,000 contract for an event coordinator
- \$2,025 in event advertising costs (such as promoting the library in weddingvenue listings and other similarly targeted outlets)
- \$513 in temp help costs

Crunch those numbers and you could reach the conclusion that the library had a net revenue of \$30,785 for events in 2015. I'd offer a simple caution that his conclusion isn't completely accurate, in that the \$60k truly is the library's unrestricted event-related income, and the foundation could indeed choose to put that \$24k toward some specific purpose other than an event coordinator. In short: If events were to change substantially (or cease altogether) at the library, it's that \$60k we'd need to replace, not a mere \$30k. (And further, one of the foundation's largest annual sources of revenue -- Light A Spark each July 4th! -- is an event on the library's terrace.)

I hope this information makes sense and is helpful to you. Thanks for your time, and again, please let us know if you have questions!

#### **PUBLIC SERVICE INFORMATION**

Several data elements in this section can be collected either by an Actual Count or Estimated through sampling. You may want to annotate your reply to track which method your library uses. As you prepare for next year's report, please consider using one of these sampling methods.

Estimate by counting visits during a typical week in April or October and multiplying the count by 52.

Estimate by counting visits during a typical week in April and another in October; add these numbers and multiply by 26.

Estimate by counting visits quarterly during a typical week in February, May, July and November; add these numbers and multiply by 13.

A typical week is a time that is neither unusually busy nor unusually slow. Avoid holiday weeks, vacation periods for key staff, or days when unusual events are taking place in the community or the library. Choose a week in which the library is open its regular hours. Include seven consecutive calendar days, from Sunday through Saturday (or whenever the library is usually open).

#### **Total Registered Users**

A registered user is a library user who has applied for and received an identification number or card from your library. Your library has established policies that determine borrowing privileges. Please note that data entered into library outlet fields will "roll up" into a total for the library administrative entity. The library administrative entity's field is locked.

Note: If your library uses an automation system that is managed by a federated regional public library system, the regional system may be able to provide totals.

# Registered Users - Outlet

A registered user is a library user who has applied for and received an identification number or card from the public library that has established conditions under which the user may borrow library materials.

Note: The purpose of the next three questions is to determine the number of issued library cards. Because of the method of registering borrowers, libraries may not be able to answer all three. In several federated regional systems, individual library statistics are not available; the regional system provides totals for the region as a whole.

#### **Electronic Materials**

Electronic materials include downloadable materials distributed digitally and accessed via a computer or mobile device (e-readers, tablets, etc.). Types of electronic materials include e-books and electronic video and audio files. Electronic materials include only items that the library has selected as part of its collection. Items must have a loan period and require a library card or user authentication to download. Titles may be linked in a catalog but are not required to be in a catalog.

A circulating device such as an iPad or Kindle that has more than one title (e-books, e-serials, e-audiobooks, etc.) on it is counted as one item.

Do not include electronic materials that are in the public domain or not copyrighted. Electronic resources that are available for unlimited use or are kept by the user and not returned to the library are included in Electronic Collections.

#### **Electronic Serial Subscriptions**

E-serials are online content-based materials produced on a regular schedule that are readable on computers or other electronic devices. Items must have a loan period and require a library card or user authentication to download. Titles may be linked in a catalog but are not required to be in the catalog.

#### Electronic Books (e-books)

An e-book is a book-length publication in digital form that consists of text and/or images and is readable on computers or other electronic devices (e-readers, tablets, etc.) Please include e-books that are stored locally or at a vendor site for which permanent or temporary access rights have been acquired. Items must have a loan period and require a library card or user authentication to download. Titles may be linked in a catalog but are not required to be in the catalog.

E-books that are packaged together as a unit (e.g., multiple titles on a single e-book reader) and checked out as a unit are counted as one.

Note: Please do not include e-books that are in the public domain or non-copyrighted e-books with unlimited availability or items available through content aggregators such as Freading which are counted as electronic collections rather than electronic materials.

#### Audio Downloadable Units

These are electronic files on which only sounds are stored (recorded)--on a library or vendor server-- that are played back electronically. Audio files are downloaded on portable or electronic devices. Items must have a loan period and require a library card or user authentication to download. Titles may be linked in a catalog but are not required to be in the catalog. Include only items that the library has selected as part of its collection.

Note: Please do not include audio files that are in the public domain or non-copyrighted audio files with unlimited availability or are not returned to the library such as Freegal.

#### Video Downloadable Units

These are electronic files on which moving pictures are recorded, with or without sound, that are stored on a library or vendor's server. Electronic playback uses a television receiver, computer monitor or mobile device. Items must have a loan period and require a library card or user authentication to download. Titles may be linked in a catalog but are not required to be in the catalog. Include only items that the library has selected as part of its collection.

Report the number of units the library has acquired, including duplicates. Content obtained through a vendor on a temporary basis is considered part of the collection.

Note: Please do not include video files that are in the public domain or non-copyrighted video files with unlimited availability.

#### **Electronic Collections**

An electronic collection is a collection of electronically stored data or unit records (facts, bibliographic data, abstracts, texts, photographs, music, video, etc.) with a common user interface and software for the retrieval and use of the data. Electronic collections do not have a circulation period, and search results may be retained by the patron. Remote access to the collection may or may not require authentication. Unit records may or may not be included in the library's catalog. The library may or may not select individual titles. Include electronic collections that are available online or are locally hosted in the library.

Platforms with downloadable media may or may not be an electronic collection. An electronic collection may be funded by the library, or provided through cooperative agreement with other libraries, or through the State. Your library may have multiple electronic collections through one vendor interface. Please count each electronic collection separately.

Note: Please count each electronic collection individually even if it is available through more than one vendor. Do not include resources that are provided by third parties and freely linked to on the web.

#### **FINANCIAL DATA**

This report collects detailed information on operating revenue and expenditures together with capital revenue and expenditures. Reported revenue sources include but are not limited to state, federal, city and/or county governments. Financial information is categorized as direct, indirect and in-kind. Please round all entries to the nearest whole dollar.

Note: See Operating Revenue Line Items for where to include items that may be difficult to pinpoint.

#### Operating Revenue

Please include direct (funds received by your library) and indirect (expenses paid on behalf of your library) for operating purposes as operating revenue. Operating purposes (expenditures) include staff salaries/benefits, collections, building maintenance, some types of equipment, etc. and are the recurring costs needed to support the delivery of library services.

Please do not include revenue received for major capital expenditures, revenue passed through to another agency (e.g. fines), or funds unspent in the previous fiscal year (i.e. carryover).

Note: Funds transferred from one public library to another public library are only reported by one of the public libraries. Please contact State Library Services to determine if your library should report.

#### Operating Expenditures

Operating expenditures are the costs of operating a library and providing library service on a day-to-day basis. Please include expenditures made from direct revenue sources as well as the documented amount of significant indirect payments made on behalf of your library.

Note: Please do not report estimated or in-kind expenditures.

#### Capital Revenue

Please report all revenue received for major capital expenditures, by source of revenue. Include funds received for construction projects (site acquisition, additions, renovations, new buildings), furnishings, equipment, initial collections for new buildings/additions/renovations, computer hardware and software, and/or vehicles. Do not include revenue received for replacement and repair of furnishings and equipment or investments for capital appreciation.

Note: Local accounting practices determine whether a specific item is a capital expense or an operating expense.

#### In-Kind Contributions

Please include the estimated total value of all contributed goods or services (not money) by revenue source.

#### **Operating Revenue**

Please include direct (funds received by your library) and indirect (expenses paid on behalf of your library) for operating purposes as operating revenue. Operating expenditures include staff salaries/benefits, collections, building maintenance, some types of equipment, etc. and are the recurring costs needed to support the delivery of library services.

Please do not include revenue received for major capital expenditures, revenue passed through to another agency (e.g. fines), or funds unspent in the previous fiscal year (i.e. carryover).

# City council communication plan

DRAFT - Updated October 6, 2016

Recent events have made it clearer than ever that the library – its board and its director – must work diligently to reframe how it thinks about its relationship with the city council and to improve upon its relationship building and communication efforts. This document outlines basic tactical measures the library will employ to help achieve those goals, but those tactics must be paired with a philosophical shift: The way we've been operating, with regard to our working relationship with the city council, isn't working as well as we need it to. The burden is on us to change that.

These key principles form the foundation of our relationship building and communication efforts with the council:

- The library director is the primary spokesperson for the library, as the subjectmatter expert with direct daily knowledge of library operations, procedures, priorities; the director is the library's greatest source of institutional knowledge and expertise
- The library board provides an added layer of oversight and community representation – in the form of nine dedicated and knowledgeable trustees – to complement the director's expertise, not to mention time and energy; the board of trustees is the library's greatest source of commitment to mission and vision
- The director's responsibilities are comparable to that of other department heads
- The board's responsibilities are to complement the director's efforts at every turn, turning one advocate and spokesperson into ten

The following is a basic "role sort" intended to serve as a guide for identifying what sort of tasks will fall to each party. It should be seen neither as rigid nor comprehensive, but in the absence of a reason to deviate...

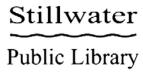

#### The director shall:

- Take a lead role in council presentations and communication when the emphasis is on library operations, budgeting, procedures, etc.
- Attend city council meetings when items relevant to the library are on the agenda
- Prepare and present financial reports 2-4 times annually, giving the council
  members a look at the status of the library's budget, its connection to library
  operations and patron service, any potential adjustments or red flags, etc. –
  with an emphasis not on numbers but their meaning and context
- Provide for council members an annual report that goes beyond basis data points, offering a narrative about their significance and the story they tell (key trends, findings, lessons learned, etc.)

- Deliver approved meeting minutes for council review (and/or a summary of key topics and actions via email after each board meeting)
- Ensure the council members receive the library's email newsletter

# The board of trustees shall:

- Take a lead role in council presentations and communication when the emphasis is on library governance, policymaking, mission and vision, etc.
- Accompany the director to council meetings when library business is on the agenda
- Identify strategically significant opportunities, ideally 2-3 times per year aside from budget hearings, for formal presentations to the council
- Work to make themselves familiar to the council, fostering familiarity and trust (coffee meetings, individual conversations and emails, informal interactions in the community, etc.)
- Lean on the perspective and knowledge of the council liaison and ensure the council liaison has all necessary information to do his/her job

suggested by Suzi Quaderer in a letter distributed i	n the September Board packet. This discussion led	
to the policy revision that is attached. There was co	onsensus that we should also proceed with tent tie-	
downs, which will allow us to take some pending 20	017 bookings and to move tent delivery and pick	
up further from the cobbled area. If the City engine	er thinks it advantageous, we will request	
permission from the City Council to have more of the	he curb on Fourth Street designated as a no-	
parking area. We will also invest in "no-parking, no	-standing" signage.

# Stillwater Public Library Rental Policies and Guidelines for Events

The Stillwater Public Library is foremost a public library. The library encourages public use of the library's facilities within the policies established by the Board of Trustees. The fees that are charged are used to cover the costs of providing the facilities and to support the operations of the library

The Stillwater Public Library facilities available for community use and rental for events include:

- The Margaret Rivers Room A and B
- The Serving Kitchen
- The Conference Room
- The Johnson Terrace

#### I. GENERAL RULES

#### A. Reservations

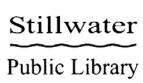

- 1. All rooms/rental areas will be reserved on a first come, first served basis for rental dates. For events, reservations will be accepted up to eighteen (18) months in advance.
- 2. No event date may be reserved or held without a signed rental agreement and down payment. The library will hold all down payment checks for five (5) calendar days from the date of check receipt. All down payments are fully refundable during this five day hold period. After five days, all checks will be cashed and all down payments are non-refundable.
- 3. If the rental client intends to cancel a reservation during the five day hold period, the rental client is responsible for notifying the library before 5:00 p.m. on the fifth day. The rental client should leave a message of their intent to cancel for the Event Space Coordinator at 651-275-4338 x 129.
- 4. The library reserves the right to schedule weddings on consecutive days. All weddings are guaranteed a 1 hour rehearsal on Thursday. Rehearsals are booked on a first come, first served basis. Rehearsals may be booked for a Friday if the date is still open 30 days prior to the scheduled event.

On Fridays and Saturdays, rental is available from 8 a.m. until 12:00 midnight (the event itself must end by 11:30 P.M. to allow for clean-up and closing by midnight). with the exception of Sundays. The facilities are available for events on Sundays from 1 P.M.\* to 12:00 midnight. Set up may begin before 1 p.m. on Sundays with the approval of the Event Space Coordinator. Sundays through Thursday, event rental is available from 9 a.m. to 9 p.m. Staff will work with the rental client to determine arrival and departure times. Catering and rental equipment/supplies must be delivered and picked up on the day of the rental event. The

Event Coordinator or designee must approve, in writing, any arrangements for early or late delivery/pickup.

# **B.** Fees

- 1. Fees and costs are subject to change from time to time. Rental clients will be charged those fees and costs that are in effect at the time a rental agreement is signed. A rental client is responsible for obtaining the current fee schedule (see page 9).
- 2. The <u>balance</u> of the rental fee, other charges, and the damage deposit are due no later than five (5) days before the scheduled event.

### **Director's Report**

Relationship with the Board/Issues: One of the issues that library futurists are examining is the future of play. According to these pundits, children are facing a "play gap" as the focus on testing and test preparation eats into opportunities for children to explore, invent, and play. Libraries are moving into this gap to give children – and their parents – the support to play cooperatively and using many different media. \* Libraries are part of the original sharing economy. A number of libraries are beginning to share more than traditional and untraditional library materials. SPL was once the home of the Washington County Social Services Department Toy Lending Library. Despite budgetary constraints. We could spend part of 2017 looking at possibilities for loaning more than library materials. WiFi hotspots could easily be circulated. Other electronic devices could also prove easy to handle.

Goals and Objectives: Gardner Construction intends to begin work on Monday, October 17, by encasing the affected area in poly to contain the dust. Before they can start, we have collections to move, bulletin boards to retrieve, and shelving to disassemble. IT needs to move SelfChecks out of the way, make certain that we have functioning computers throughout, and working phones. For a time, we will be operating from white plastic folding tables and storing equipment in the group study room. Staff members have sheets of answers to what we expect will be frequently asked questions. Posters about the project will go up around the library on Friday, October 7. Press releases will go out to media channels.

**Community and Professional Relationships:** One of our first targets for outreach is seniors. This population is mentioned in our strategic plan, but is also suggested by demographic change. By 2050 the world's population of people over 65 is expected to grow from 8.5% of total to 16.7%. Currently,

our circulation of physical materials to seniors is 13% of the total. The American Community Survey estimates that seniors are 12.99% of the population. One might say that we are right on target for penetration into this demographic, but when you consider the amount of time that various segments of the population have at their disposal, we should be looking to grow this usage. In addition to the dementia-friendly training session in October, we are looking at some offerings

from the University of Minnesota's program on aging and to LifetimeArts to improve our programming for seniors.

Staff and Personnel: All City Departments included a 15% increase in health insurance premiums in their original budgets. The library is part of the City of Stillwater's health insurance contract. In August, the City heard that the premium for our current contract with Blue Cross Blue Shield through the cooperative that the City joined would be an increase of 17.3%. Through its consultant CBIZ, the City requested proposals from other vendors and other plans. These premium increases ranged from 12% to 26%. The City Council approved a 2017 budget increase of 12% for their employer's share of the premium. The City has set up a task force made up of employees, library employees, Water Department employees, and retirees to discuss the possible plans. There is a fairly short turn-around time on the decision making. The decision will be made by City Administration, but employees are having the opportunity to comment on what is being proposed. Unlike the City of Stillwater, we have a union contract for 2017 with a set amount toward dependent care insurance. Therefore, for the library, what would change with the change in percentage of increase is how much insurance would cost for those employees having 75% or 100% of single coverage. The percentage of increase makes a material difference to employees with family cover, however.

**Business and Finance:** Some of the potential 2017 wedding bookings are dependent on the ability of the parties to erect tents on the terrace. We have collected deposits for some events that we are not able to process as we cannot say with certainty that tents can be erected. We also have a donor who is interested in funding tent tie-downs. We owe these bodies answers at the earliest opportunity.

**Technology:** One of the most challenging aspects of our small building project is handling computers and telephones before, throughout, and after the construction. We will have the help of City IT and the low-voltage vendor that we have selected. In previous building projects we have been out of the building entirely. Here, we will have to move circulation staff to the current information desk while the flooring is done in the current circulation area. Then everyone will be transferred to folding tables until the information desk is moved. At all stages we will need at least two functioning computers and functioning telephone service.

14 9/8	_	Terrace Tie-Downs	Follow-up with Anne Young about the possible installation of tent tie-downs on the Terrace.	Bertalmio	10/5/16: Deferred to October Board Meeting The Facilities Committee deferred action about the tent tie downs until after the Board holds a discusion about event operations.
30 12/	/9/2015	Prioritize Facility Repairs/Work	Facilities should catalog a list of repairs needed and prioritize the work, including the leak in Bertalmio's office and the ceiling cracks throughout the building. List should be provided to board by the Spring of 2016.	Facilities Committee	10/5/16: In Progress The Facilities Committee should assess the state of the facility to prepare for the 2017-2022 Capital Plan.
50 3/8	8/2016	Building Reconfiguration	Develop a staffing model plan in preparation for co-location change.	Bertalmio	10/5/16: In Progress A prototype desk schedule has been developed. Cross-training has occurred. Senior staff have received outreach assignments of areas that they will lead. Area leaders are developing training schedules for staff for selected areas. First training opportunity is dementia training. Staff is participating with Adult Basis Education staff on a grant proposal.
52 3/8	8/2016	Partnerships & Outreach	Provide board with a plan for what would be realistic for the library to do in outreach over the next year.	Bertalmio	10/5/16: In progress  Management Team is working on outreach goals for their areas of responsibility.
53 3/8	8/2016	Board Goals	Discuss 2016 Board Goals.	Keliher	10/5/16: In Progress Process will begin with a review of bylaws and other existing "job descriptions" for trustees.
55 4/1	12/2016	Partnerships & Outreach	Review recent demographic data from school district (and other sources if available) to help identify underserved and diverse populations of the Stillwater area.	Otte	9/2/16: In Progress WCL has purchased Civic Technologies software that can be mounted on the ILS system to report on demographics for outreach and marketing. WCL is scheduled to receive reports in October. Ryskoski will talk with Civic Technologies about subsequent reports for Stillwater.
57 4/1	12/2016	Long-Term Financial Planning	Meet individually with members of the city council to help educate them about the library.	Bell Carlsen Hansen Keliher	10/5/16: In Progress A communications plan to inform the City Council about library operations and issues is being drafted. Does this replace the individual meetings with Council members or are individual meetings to be held in addition?
61 5/1	10/2016	Building Name Rights Task Force	After naming rights plan is received from staff, convene a small task force of Board, staff members and an SPLF board member to review plan and determine donor approach.		10/5/16: In Progress Only the computer lab naming right must be repalce with some other option. This means approaching Wells Fargo with an alternative. Is a small task force needed or may staff just offer an alternative?
64 5/1	10/2016	Teen Area	Furnishing costs for the teen room is TBD. Further discussion needs to occur with YS, TAB to review ideas and develop a more specific plan for the teen areas before costs can de be determined.	Bertalmio	10/5/16: In Progress  Design work will begin after the co-location work is complete.

70 8/9/2016	Supplemental Funds	The Finance Committee will work on a process for how to manage any new endowment- type gifts received by the library and will bring proposed process to the Governance Committee.	Finance	
73 8/9/2016	City Council Relations		Bertalmio Keliher	10/5/16: In Progress Revised messaging plan to be discussed at October meeting.
75 8/9/2016	Director's Report	Board asked Director to include programming numbers and other data in the monthly report along with the narratives.	Bertalmio	10/5/16: In Progresss Reports from staff programmers will be included in Director and other staff reports porion of the Board agenda.
76 8/9/2016	WCL Relations	Board asked Bertalmio to help drive relationship-building with WCL and reach out to WCL regarding a meeting with Bertalmio/McCarty.	Bertalmio	10/5/16: In Progress A meeting with Washington County administrators, the WCL Director and the Stillwater Administrator and Library Director was held on September 15, 2016. The response to the question "Would WCL be willing to manage SPL by contract" was no. Deputy County Administrator Corbid will provide financial figures for a future meeting, but these figures would be useful for a discussion of merger, not a management contract.
77 9/13/2016	Events	Board asked Bertalmio and Keliher to meet with Young to discuss the mitigation suggestions received in a 9/8/16 letter from the neighbors regarding events at the library.	Bertalmio Keliher	10/5/16: In Progress Keliher and Bertalmio discussed ideas suggested by neighbors with Young. Some recommendations of changes in policy will be presented at the October Board meeting.
78 9/13/2016	Analytics	Board asked Bertalmio to send information about Civic Technologies, an analytics system purchased by WCL.	Bertalmio	10/5/16: Completed
79 9/13/2016	Board Vacancy Interviews	Applications for the vacancy on the Library Board of Trustees are due on September 26, 2016. Board members Doug Menikheim, Maureen Bell and Kathy Stark will interview applicants.	Menikheim Bell Stark	10/5/16: In Progress Four applications were received. Interviews are being scheduled. A recommendation from the interview panel will be made at the November meeting.
80 9/13/2016	City Council Relations	Ask McCarty to formally place library on agenda on a quarterly or monthly basis. Library Director and a Board Member will attend meeting and provide brief update.	Bertalmio	
81 9/13/2016	City Council Relations	Board asked Keliher to draft a response letter to the City Council regarding the levy, the WCL meeting, and next steps.	Keliher	10/5/16: Completed The letter was sent to Council members on October2, 2016.
82 9/13/2016	2017 Budget	Provide budget reduction options for board review at October meeting.	Bertalmio Finance	10/5/16: In Progress

### **Washington County Library Board**

Regular Meeting at Valley Library 380 St. Croix Trail S Lakeland, MN July 25, 2016

**Present** 

Board: Cram, Jurgens, Meyer, Reeves,

Staff: Ryskoski, Estreen, Schneider, Stenftenagel

**Absent** 

Board: Bull, Lande, Skinner

**Commissioner Bigham** 

Also Present: Brian Zeller, Lakeland Village

1. Call to Order

Cram called the meeting to order at 6:35 p.m.

**Pledge of Allegiance** 

2. Recognition of Public

.

**3.** Adoption of Agenda and Consent Calendar – Jurgens moved adoption of the agenda and consent calendar including the minutes and new donations. Motion seconded by Reeves. Vote: All in favor. Motion carried.

### 4. Unfinished and New Business -

- A. <u>Introduction of Diane Estreen</u> Diane Estreen, library manager at Valley library introduced herself to the Board and gave members a tour. She highlighted some of the limitations of the library, for example programs are well attended by families but there is no remaining space available for others to use the library when a program is taking place. On average three of the four public computers are often in use and the library has public wireless available but little seating capacity. There is no meeting room. The one restroom is not handicapped accessible. To get to the restroom the public has to go through the staff storage area past the water heater and furnace.
- B. <u>Tour of Lakeland Rental Spaces</u> Brian Zeller escorted the Board members on tour of other vacant spaces at the Lakeland Village site located at opposite ends of the mall. The south end space is basically the same square footage as the existing library and the north end spaces if combined are approximately one thousand square feet larger. Both spaces had exterior walls to allow for windows and each had more than one restroom although both locations would need improvements to the restrooms along with other build out and modifications made.
- C. <u>Library Website Update</u> Stenftenagel showed some preliminary slides of the Library's website. The Library is developing its own sub site as an off shoot of some work being done to update the County's website. She pointed out that library customers have problems with the current navigation through the County website and with the new sub site they will be able to go right to

Library information and resources. The Library sub site will still provide an easy to use link back to the main County site. The new Library sub site will launch on September 1<sup>st</sup> and still need further work and information added but it will be fresh, easy to use and much more modern looking. Board members expressed their excitement and appreciation to staff for the improvements being made. Meyer urged staff to continue to keep it simple and keep accessibility in the forefront and asked if there would be an audio component. Jurgens added it would be important to refresh the catalog and suggested the catalog be more prominent on the new site. Stenftenagel said that the site is responsive design but does not include audio yet. The catalog will need work as well to better integrate with the new site. There will be some usability testing that will take place to further identify things to change and improve on. Board members thanked staff for work to improve the Library website.

- D. Woodbury Foundation Discussion Cram shared her notes from a meeting held with the Woodbury Foundation which she and Ryskoski arranged. She felt the Woodbury foundation provided some exciting opportunities to advise and possibly assist the Library with establishing friends groups. She felt interest in doing so came out of the strategic plan discussions. The purpose of meeting with the Woodbury foundation was to determine the feasibility of creating friends groups for each of the county libraries. The representatives of the Woodbury foundation indicated their mission and part of their work is to strengthen the broader community. They said they could provide advice and even assist with fiscal support and paperwork. Ryskoski said it was apparent people identify closely with their immediate community and the local friends groups of Lake Elmo and Stillwater are examples. Ryskoski has spoken recently with the current chair of the Library Partners board and they are looking to be replaced. Their nonprofit status is still good for eighteen months and this may be an avenue to keep that foundation status and build friends groups with perhaps a representative of each coming together a couple of times a year as the foundation board. There could be one or more main events each year. Jurgens indicated it would be desirable to have an umbrella organization but have it possible to donation to one specific location. Ryskoski expressed he has been concerned that services should not be based upon the immediate community's ability to donate and it would be important to map out how all this would work. Jurgens suggested perhaps there could be some type of equity built in, i.e., eighty/twenty or other mechanism. Meyer indicated she had expressed a willingness to seek out some pivotal leaders to ask for donations for Valley at the appropriate time. She noted that volunteering can be a big commitment to expect of individuals and especially with seeking donations. Cram recapped that this was a feasibility discussion and she felt a business minded person is needed to work out the framework, structure and be able to explain it to the county board and library staff. She asked if the board was interested in continuing and if so did anyone wish to make a motion. Jurgens moved "to continue to explore creating a friends of the library groups system." Meyer seconded the motion. Vote: All in favor. Motion carried.
- E. Facilities Update on County Board Workshop & Next Steps Ryskoski summarized the discussion held with the County Board in a workshop on the draft library facilities plan which was held July 12<sup>th</sup>. The outcome of the workshop was the Board has given staff direction to further explore and gather planning information on what the options of locations and costs would be to replace the Park Grove and Wildwood libraries. Staff was also directed to investigate options and costs at Valley. He indicated that findings and further agreements on locations and approvals would determine the pace at which any projects would proceed. At Valley the current lease is up in December but it could be extended to work with any decision that is made to move into a different space. Again timing would be determined by approval of funding to support a move. Board members discussed their reactions to the tour at Lakeland of the vacant spaces.

Members agreed that the spaces at the north end of the mall, if combined, would provide the best opportunity to address current needs and the future based on the strategic plan. The south end would not be adequate unless the exterior wall could be removed and the space added onto. The board consensus was to recommend pursuing a new space since the existing space is inadequate in meeting the existing program as well as the goals of the new strategic plan. Reeves moved the "We affirm the existing space is not adequate for today and the future due to the inaccessible restroom, no programming spaces and to support the strategic plan directions, and furthermore the Board supports expanding the library footprint at a location in the Lakeland mall." Meyers seconded the motion. Vote: All in favor. Motion carried.

- F. <u>Library Hours</u> Ryskoski said staff is recommending shifting some library open hours at Oakdale and Wildwood to be open earlier one morning but then close earlier one evening. The day of the week would most likely be Thursday based on usage patterns. The shift is recommended to allow for more programming for families. Board members commented that it would be preferable to add hours but recognize the cost to add hours. Meyer said she would like to bring forward adding evening hours at Valley and Reeves agreed the hours at Valley are not adequate. Ryskoski suggested that increasing hours at Valley should be part of a package along with the more detailed information and costs on a move to a new location at Lakeland. Members concurred that would be a good time to bring such a request forward.
- G. <u>Library Board Vacancy District 1</u> Ryskoski relayed that Judy Bull has decided to resign from the Board effective immediately so a replacement will be needed to fill the vacancy. If any board members have suggestions to let him know.
- **5. Director and Board Reports** Ryskoski said the Library will be having a workshop with the County Board on its proposed 2017 budget on August 23, 2016. He will send out more information about the time. The Library is also looking into engaging a marketing professional to assist the staff with identifying and strategically targeting unserved and underserved segments of the population.

### 6. Adjournment

Cram called for a motion to adjourn. Jurgens moved adjournment. Reeves seconded the motion. The meeting adjourned at 8:20 p.m.

The next scheduled meeting of the Library Board is September 26, 2016 at 6:30 p.m. The meeting will be held at R.H. Stafford Library in Woodbury.

## STILLWATER PUBLIC LIBRARY FOUNDATION BOARD MEETING August 24, 2016

MEMBERS PRESENT: Lynne Bertalmio, Steve Brady, Jane Dickinson, Andy Kass, Jean Morse, Sandy Nicholson, Fred Rengel, Mary Ann Sandeen, Carol Stabenow, Ann Wolff

<u>WELCOME</u>; President Ann Wolff called the meeting to order at 7:40 a.m.

<u>SECRETARY'S REPORT</u>: The minutes for the July board meeting were unanimously approved as written.

<u>FINANCE COMMITTEE & TREASURER'S REPORT:</u> Andy reported on the August financial committee details:

- Hiring Dan Gustafson Andy made a motion to hire Dan Gustafson for a fee of up to \$500 to customize our website to accommodate Pay Pal. This was seconded by Lynne and unanimously approved.
- The Foundation tax returns are now posted on our website.
- The 2016 Light a Spark financial reports were reviewed with the comment that the event had increased significantly compared with the previous year.
- There are three main concerns for the use of the 2016 grant dollars at this time:
  - Keri's Contract must consider the Foundation needs, present and future
  - Reserve Fund advise having funding for six months expenses in reserve and aim to have twelve months available in the future
  - Budget for the anniversary celebration event
- The Foundation is financially about where we were last year at this time Mary Ann moved that the Financial Report be approved. Jane seconded the motion. It was unanimously approved.

<u>GRANT PROPOSALS:</u> Lynne introduced three grant requests for the Board's consideration:

- Collection Support Multiple Copies of Bestselling Fiction \$1500.00
- Collection & Program Support Additional hours for a Youth Services Programming Assistant \$2,200

Total Grant Funding Requested - \$3,700.00

- The motion to approve these grants was unanimously approved.
- It was noted that we have secured a \$5,000 donation from Pat Thiele for 2016 Fall Sunday hours and that at the July meeting, the Foundation members approved funding the balance required to support the SPL Sunday hours for that time frame.

**EVENTS**: Fred discussed the upcoming events as reported in the August committee notes:

- Light a Spark Both the income and expenses for the 2016 event were greater in comparison with previous years
  - The committee continues to meet
  - Volunteers are being secured for next year's event, including the Boy Scouts

- Donor Appreciation The theme for the event will be "Harvest of Thanks."
  - Jane and Mary Ann are working on the invitation, addressing and mailing.
  - Craig Hansen will be the speaker.
  - Acapulco will be the caterer.
  - Baskets for centerpieces should have the "harvest" theme.
  - Ann will e-mail board members regarding selecting a basket and/or a financial donation for the event.
  - There was discussion about inviting city council members and SPL trustees to the Donor Event. It was decided that Ann would invite the Stillwater Mayor and trustees who have donated to the SPLF and emphasize that this is a donor event.
  - Because this is a major development event, a Foundation board member should be seated at each table to note who is at the table and plan to send those donors thank-you notes following the evening.
- Style Speaks Volumes III The committee report for this event was reviewed.
  - It is scheduled for Nov. 14 & 15.
  - Nine-ten authors have agreed to be models.
  - Ticket price is \$70 (\$40 is tax deductible).
  - Other details of the event are under development (see report that was e-mailed)
- 10<sup>th</sup> Anniversary Celebration September 22, 2017 "Destination" will be the theme for the celebration.
  - Efforts are being made to contact authors to participate.

<u>LIBRARIAN'S REPORT:</u> Lynne is working on a contract with the contractors to co-locate the circulation and information desks into one desk to achieve one of the goals of the SPL strategic plan. The library will remain open during the construction that is scheduled to take five weeks. (The demolition will be done at night with the construction during the day.) The project is being paid for by the SPL capital funds in combination with several supplementary funds.

OTHER: Ann announced that Brent has a new job so, consequently, will only be able to meet with the SPLF Board on a limited basis. As a result, the Development and Marketing Committee will be looking for candidates for the Board. Brent will remain on the Board roster at this time.

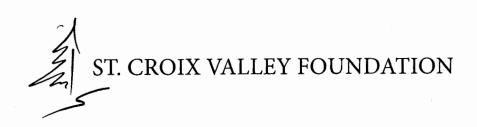

The meeting was adjourned at 9:00 a.m.

Respectfully submitted,

Jean Morse, Secretary

Past Board Chairs Sarah Andersen John Baird Jim Bradshaw David Brandt Martha Harding Orville Johnson Peter Kilde Gretchen Stein David Wettergren Steve Wilcox Dear Donors:

The Board of the St. Croix Valley Foundation has important news that it wants to share with donors who hold endowment funds with us.

Starting on July 1, 2016 we changed the Foundation's spending policy on endowed funds from 5% to 4.5%, in order to maintain fund sustainability well into future. This is a move being replicated by community foundations around the country due to reduced future return expectations across many asset classes. Unfortunately, in today's interest rate and investment market environment, our projected return over the next ten years is much lower. These market conditions, which more than likely have impacted your growth expectations in your own personal investment portfolios, have affected foundations like us as well. In a survey we did recently among our fellow foundations, we found that most community foundations have changed their spending policy from 5% to a range between 3.5% and 4.5%. And those who have not yet done so, will be changing it soon. Ultimately, our goal at the St. Croix Valley Foundation remains to deliver investment returns that are adequate to cover grantmaking, fund growth, administrative fees and annual inflation for decades to come.

The Board believes this is the right path now and going forward. In an effort to always be transparent in our relationship with our donors, we felt that we should advise you of this change as soon as possible. At the same time, if and when market conditions change and we are able to raise the spendable back to the traditional 5% we will do so at once.

Please know that we would be happy to answer any questions you might have about this.

Sincerely,

Todd Gillingham Board Chair Jane Hetland Stevenson

President

Dear Library,

I cannot begin to thank you for all the support you gave to my family this summer. This has been the first time I have discovered the wonders of the local library with my grandchildren.

aged 9, needed to complete a 25 square bingofor her summer project for school. Everyone had so much patience, time, and caring to help her complete it. Without Miss Melissa's help she may not have written an author of one of the books she read. Nor would she have gotten a reply!

Her brother who turned 6 in June, is a special needs sweet little boy. School has been a struggle for him. Reading a chore. Miss Angie and Miss Melissa both were able to encourage him to do things that I could not ever imagine him doing. He is now doing well in school and is on grade level in first grade. Without all the wonderful program, including stem storytime, stem programs and crafts he would not be as comfortable talking to others. He is able to express his thoughts and even ask to read books. Last year it was a struggle to get him on the bus. Today he is looking forward to reading to a bunny.

the 2 year old brother is a handful. But I am taking him to the story hours on Tuesday and Wednesday. He is loving the stories and crafts. He is now singing the songs and trying to do hand motions to the songs. I plan on continuing to attend as much as possible to give him a basis for learning to love to read.

Thank you for all your caring staff that make these programs possible. Thank them also for all the time they spent looking up things for my family. It is so incredible how much these children have improved in one summer. By these experiences a new world has opened to them and I believe it has expanded and has enriched their lives. Thanks so much for having the programs and people to do that.

Sincerely,

C)
