#### BACKGROUND/CONTEXT:

## May 21 City Council Presentation:

At the May board meeting, Trustee Simon and Foundation Executive Director Howe will deliver a trial run of the Advocacy Committee's proposed presentation in preparation for the City Council meeting on May 21. A draft of the slide deck is attached. Following the delivery of the proposed presentation, trustees will have the opportunity to discuss and provide feedback.

## Library Advocacy Update:

#### Committee Background

The Library Advocacy Committee is a newer committee of the board. In the summer of 2022, the Stillwater Public Library Board of Trustees held an Advocacy Workshop. That workshop generated a considerable body of information and recommendations regarding enhancing library advocacy. One outcome was the creation of the Advocacy Task Force. The purpose of the task force was to analyze the results of the workshop and put forward actionable recommendations to the Board of Trustees. A key recommendation of the Advocacy Task Force was the creation of a standing Library Advocacy Committee with representatives from the Board, the Foundation, the Friends, and staff.

In September 2023, the Board of Trustees approved the creation of the Library Advocacy Committee. The purpose of the group is to provide coordination, implementation, and oversight of library advocacy efforts. Its major duties include: focus on maintaining open communication between SPLF, Friends, and Library Board; work to ensure mutual messaging between groups with focus on key audiences; develop actionable plans for advocacy efforts and prepare a proposed budget for such actions; present plans and budgets to the Board for approval; and focus on use of volunteers where feasible.

## Advocacy Progress to Date

The Library Advocacy Committee began meeting in November 2023 and meets monthly. In addition to receiving monthly minutes from the Library Advocacy Committee as part of the board packets, the Board of Trustees also requested that the Library Advocacy Committee report back on its progress to date at the May 2024 board meeting. Attached is a RACI (responsible-accountable-consulted-informed) project management chart from the Library Advocacy Committee that depicts the committee's progress on its initial initiatives.

#### DESCRIPTION:

As a follow-up to the earlier board discussions on getting better acquainted with staff, the Executive Committee reviewed the March proposal to create a directory of trustees and staff. The earlier proposal was to have trustees provide photos and responses to some questions with information about themselves. The information and phots were to be posted on the Stillwater Public Library web page.

Staff informed the committee that there would be a staff and volunteer directory whether or not the trustees create an online directory. Staff said there is interest in identifying all trustees as well as volunteers and co-workers.

The committee discussed the purpose of the directory, privacy issues and the amount of work involved in creating and maintaining the directory.

The Executive Committee recommends creating an internal directory including staff, volunteers and trustees. When the directory is being created, staff will request an individual photo and information trustees would like to share with staff.

### Motion to approve revisions to the Library Fee Schedule

BACKGROUND/CONTEXT:

Following this cover sheet is a revised fee schedule. The following changes are proposed:

#### Meeting Rooms

- Increase the room set-up fee from \$25 to \$30 for custom room configurations.
- Increase cancellation notice required from one business day to two business days to avoid a no-show fee.
- For non-profit, government and community groups canceling space without proper notice, decrease the no-show fee to \$30. This correlates with one hour of paid room rental.
- For for-profit organizations canceling space without proper notice, the no-show fee will be equal to the rental and set-up fees for the scheduled meeting time

#### Convenience Fees

A standard convenience fee is now applicable for all credit card or EFT charges processed through the City of Stillwater. For the library, this tends to pertain to meeting room payments. This does not apply to credit card payments made online for lost or damaged materials through the shared circulation system with Washington County Library.

Motion to approve the Library Event Planning Task Force recommendation for a library event on Friday, June 21.

DESCRIPTION:

In the March board meeting, development of a Library Event Planning Task Force was approved by the Board with the following charge:

Address the following issues to develop a plan to launch a social event in 2024 which could be sustained in the coming years. Bring recommended plan to the May 14 Board meeting.

- What type of event to hold
- Determine whether or not to include entertainment/games/activities
- Decide where the event should be held
- Propose a date for the event (if held at the Library, must happen by end of June or after October to accommodate the terrace re-roofing project)
- Suggest a budget estimate not to exceed \$2,000.00 of 235 Fund (Unrestricted Donor Funds)
- Outline the set-up and staging of event who will handle this and what will be involved

The Task Force (trustees Ellison and Lockyear and staff Houston and Foslien) met three times. Different options were discussed with two options selected as possibilities, a Sunday afternoon ice cream social or a Friday morning breakfast. Staff preference for location was the library terrace with the Margaret Rivers room as back up in case of poor weather. Foslien conducted a survey of staff presenting the two options. There was a slight preference for the Friday morning breakfast. Based on the survey results and consideration of timing with regard to the terrace availability, the Task Force recommends the following event.

- Hold a Friday morning breakfast catered by Lake Elmo Inn on June 21 between 8:00-9:30 am on the library terrace or in the Margaret Rivers room in the event of bad weather.
- Menu to include caramel rolls, fruit, yogurt with granola toppings and beverages.
- A budget estimate of \$1751 \$1900 including catering, postage and invitation/activities supplies.
- Invitations will be mailed using USPS and email to all staff, volunteers, trustees, Stillwater Public Library Foundation and Friends members.
- One activity is recommended to encourage interactions.
- Staging of the event would involve some staff time to arrange tables for caterer either on the terrace or in Margaret Rivers Room. Caterer would handle all other set-up and clean-up.

AGENDA ITEM NAME & BRIEF DESCRIPTION:	
Terrace Sculpture Relocation Project	
OWNER:	PRESENTER:
Facilities Committee	Troendle, Director
REQUESTED AGENDA TYPE (A, I, D):	IS THIS A POLICY OR SIMILAR DOCUMENT FOR APPROVAL?
A	

IF ACTION ITEM, PLEASE DESCRIBE REQUESTED ACTION:

1. Motion to approve concept of gifting art pieces to a museum, if possible.

2. Approve Abrahamson's proposal with modifications should we be able to gift the sculptures.

BACKGROUND/CONTEXT:

Since the last Facilities Committee meeting, new information has been uncovered regarding the terrace sculptures. Coldspring, the company that quarried and sold the granite for the sculptures, researched their records and provided the specifications below for the pieces, which are heavier than what we previously believed based on incomplete internal documentation.

Specifications:

The Rockville White table is 5' x 3'-9" x 2" +/- 600 lbs; and the bases are +/- 700 lbs. The Mesabi Black table is 8' x 6' x 3" +/- 2,000 lbs; and the bases are +/- 1,7000 lbs. Not including the boulders used as chairs, the pieces above total approximately 5,000 lbs.

The tables were installed in 2013. Within four or five years, two cast bronze pieces resembling small branches somehow detached from the larger table, which the library kept. Other components, such as smaller rocks at the base of the boulders and a bronze leaf, have also been in storage since becoming detached. Otherwise, the tables are in excellent condition.

In order to safely move the sculptures, custom pallets will need to be constructed and the pieces will need to lie flat. During the Facilities Committee meeting with a consultant from The Garland Company, the consultant indicated the library would be responsible for any needed bracing or custom crating. This same consultant indicated we may also need a concrete footing down to the frost line. After that meeting, a museum was contacted, and we learned they hire structural engineers to determine the type of foundation needed to support art. The museum staff were perplexed to learn that these weighty pieces are housed on our terrace and understood the need to relocate the pieces; however, they believe that even the minimum level of support needed on the Fourth Street lawn would likely kill the apple trees.

The challenges now faced if we proceed with the original relocation plan include: Additional fees will be needed for custom bracing and crating, it's been recommended we hire a structural engineer (estimated cost of \$2,000) to determine the appropriate foundation for the artwork, it's believed a poured concrete or helical piles foundation will kill the apple trees, the artist has requested consultation fees for future meetings, and an art specialist will have to be hired to reattach the detached components.

Besides a poured concrete foundation, another possible option mentioned by an engineering firm we contacted and have used before is a helical piles anchoring system with steel rods that would be drilled 7'-10' deep with a cement pad placed on top of metal plates that would be at ground level. The plates act as anchors and are connected to the steel rods. Each helical pile costs approximately \$1,000 to \$3,000 depending on how deep they go. We would need 6-8 anchors. The cost range of this option

### Public Library

would be between \$6,000 to \$24,000. Both this and a poured concrete foundation are costly and are believed to be damaging to the trees, if implemented.

It's even more clear now that the sculptures should not return to the terrace upon completion of the reroofing. The only logical place to relocate the artwork on library grounds is problematic due to the extra cost and, more importantly, the likely loss of the trees if either of the foundations described above were used. Therefore, a new option will now be presented.

All along, one of the primary goals, stated even in the grant request to fund the site work, has been to preserve the integrity of the sculptures by only moving the pieces once. What if the sculptures were gifted to a museum in Minnesota? The benefits of this approach include: A museum would provide the expertise and be asked to pay for the cost of carting and transporting the artwork; a museum will be more appropriately able to take care of the art and reattach the detached pieces; a museum will make Richard Huelsmann's legacy known to a wider audience (the sculptures were commissioned by the Huelsmann Foundation to honor and remember Dick Huelsmann), plus it could give the library, city, and the foundation added visibility; the art will be in a more secure location and more likely to be kept safe for future generations; the library's trees won't be harmed; the library will incur fewer costs now; and the library won't be responsible for future repairs.

Exploration of this alternative has begun in order to provide the board with additional information when it's available. The grant received was to clean up and prepare the garden area of the lawn to house the sculptures. That area still needs to be revamped, and it's recommended we proceed with doing so. Originally, the sculptures were envisioned to provide a seating area under the shade of the apple trees, and we can still provide more seating by moving benches to that area after the improvements.

However, if the preferred approach is to retain the art or if a suitable museum is not interested in acquiring the art, the recommendation is to hire a structural engineer to assess whether a crushed gravel base topped with terrace tiles would suffice as a foundation. This is an option Abrahamson's suggested earlier, but that was when we believed the art was not as weighty as the pieces actually are. If the foundation is not sufficient, then frost heave could cause the tables to shift or get out of level, which will place stress on the art. If this is the path taken, the library will incur other additional costs as noted in this cover sheet too.

### **Major Accomplishments**

- Drafted and sent a letter to MELSA certifying the city's level of financial support for the 2023 calendar year. Library systems then provide this documentation on behalf of their respective libraries to the Minnesota Department of Education to verify that funding entities meet maintenance of effort requirements under state statute.
- Youth Services Supervisor Angie Petrie and Mark collaborated on the Naturalist-in-Residence recruitment wording and process. Staff at Madison Public Library were helpful in answering various questions because they have a similar program. The search formally began on April 9.
- Mark completed a draft of a Library Construction Improvement Grant opportunity through the Minnesota Department of Education. The draft is being reviewed by the City Administrator and Public Works Director so that it can be submitted by May 17. If successful, the grant would fund up to half of the terrace roof project.

### Heads-Up

- The winner of the Stillwater Area Community Foundation's Great Idea competition was the Stillwater Area History Spots project, which is led by Matt Thueson. Matt and Mark have talked about the project, and Stillwater Public Library will be one of approximately 70 locations featured. At each selected location, signage will invite residents and visitors to scan QR codes with their mobile devices, to access stories and photos about the specific location where they're standing. The QR codes will be on window clings that will be placed at each of our three entrances.
- After the April board meeting, the color choice approved by trustees for the terrace pavers was relayed to the city's Facilities Manager so that the roofing company could place an order with Wausau Tile.
- The Library Foundation is working with Valley Bookseller's event planner for a "For the Love of the Library" event on Friday, May 17 in the Margaret Rivers Room from 5:30 p.m. 7 p.m. The author will be Angie Kim (angiekimbooks.com). Refreshments will be available starting at 5:30, with the author's presentation beginning at 6 PM. Tickets are available to purchase through the Foundation's website. Lockyear reported that Abrahamson's Landscape designer, Andy, is willing to consult on plantings and Ivy Club has offered to provide suggestions for plants as well. Lockyear will follow up with Andy and Ivy Club.

- Repairing handicap access from 4<sup>th</sup> Street parking area (\$4,750 estimate) Committee discussed this item in relation to City's ADA assessment occurring sometime this summer and agreed doing this repair is essential but may benefit from ADA consultant's recommendations. All agreed waiting to complete this repair until the ADA review is complete made sense.
- New pots for terrace and 4<sup>th</sup> street entrance

Lockyear reported that Abrahamson's purchaser, Anna, is willing to help in selecting pots. She shared photos of pots from Crescent Gardens web site recommended by Rose Floral. Members agreed it would be helpful to have Anna visit the terrace to help in determining size and number of pots. Lockyear will follow-up with Anna.

There was a discussion about what decisions could be made at the May 3 meeting and which questions to ask Kinji about moving the sculptures. O'Brien clarified that many of the questions could be clarified if the bid is itemized for the committee. Some of the questions to ask Kinji were identified :

How will the crack affect moving the large table? What type of foundation structure is needed for placement on soil? How should the tables be placed? How far out should the footprint be to accommodate the tables? Are boulders as a parking protection okay? Where to place a descriptive plaque?

Troendle also reported that he had informed Greiner of the timing of summer programming on the 4<sup>th</sup> street lawn to reduce interruptions. This programming starts Wednesday, June 5. He also informed the committee he is working on additional questions that may arise regarding the moving of the sculptures and terrace roof replacement.

### **Capital Improvements Budget:**

Committee was reminded the CIP must be completed by July to present to the full board. It was agreed that this item could be tabled to a future meeting. There was a brief discussion on monitor signage with the impact on staff time being noted. This too was tabled for further discussion.

Troendle shared the current CIP and reviewed other facilities projects that are underway:

- Stage II of Signage project to be followed by the final stage of enhancing the entryway from the parking ramp.
- Final stage of masonry repairs, timing TBD
- Unexpected maintenance work including HVAC repair, ramp sprinkler system repair and elevator lights repair. This final repair project has a bid from Otis of \$3,400 which brings the total of maintenance repair costs approximately \$1,200 over the budgeted \$9,000 in the first four months of the year. Additional money will need to be found by year end to cover possible overage.

Next Meeting: May 3, 2024 2:00 pm - Terrace, 4<sup>th</sup> Street Lawn and Conference Room

### Agenda Item Cover Sheet

Public Library

Committee: Facilities Date: Friday, May 3, 2024, 2 PM Location: Conference Room, Terrace, 4<sup>th</sup> ST lawn Present: Troendle, Garland Project Supervisor Troy Thompson, Hemer, Lockyear, Artist Kinji Akagawa Absent: Ellison and O'Brien

All present gathered on the terrace to discuss and view the largest of the two granite tables. The process of moving the tables was discussed. Kinji assured everyone that the line in the large table was present at the time of installation and is not a crack. Troy suggested consulting with Coldspring Granite, the source of the granite tables, to determine the best process for securing the granite pieces for transfer to the 4th Street area. He stated Peterson Bros. would be responsible for the move but not for breakage and therefore it is important to determine the best type of encasing structure to secure the tables.

The type of foundation needed to support and protect the tables was discussed as well. Kinji said he thought a poured concrete foundation would be needed.

The group moved to the 4th Street area where tables are to be relocated. Kinji agreed the space was appropriate and made some suggestions about what he would prefer to see regarding crushed rock around the tables. Troy discussed the difficulties of lowering and setting the tables in the proper place on the blocks of granite that form the legs of the tables. The impact on the apples trees was also discussed.

Troy suggested he return to the site after more information is obtained regarding proper method for encasing the tables for transfer and weight specifications. He said he would try to have the Peterson Bros. project manager accompany him to the site to discuss logistics of the transfer. Troy left the meeting at this time.

Meeting reconvened in the conference room. Kinji provided the contact information for staff he worked with at Coldspring Granite when the tables were created in 2012. He also shared some information from the initial installation and his views about the art pieces. Kinji expressed preference for white crushed marble and steel edging. He accepted that decomposed granite would be acceptable in a white/grey color. He agreed that pieces that have come unglued over the years could be reattached after installation. He asked that a museum style plaque be installed after the tables are in place. Kinji left the meeting at this point.

Discussion continued to address concerns about cement foundation, edging, color of crushed rock, and replacement of parts that have come off over the years. Hemer suggested that a simpler base of compacted crushed rock to a depth of 12-18" and tiles would suffice. She sited use of this type of foundation for hot tubs on terraces.

Lockyear shared the bid from Abrahamson's for the work of site preparation and foundation plantings. Discussion of the bid followed. Troendle reported that Greiner had still not heard back from A&K Construction regarding site preparation bid. Timing and completion of site preparation by July 4 was noted.

### Agenda Item Cover Sheet

There was a brief discussion of replacement pots for the terrace and 4th Street entrance. Lockyear reported she had reached out to Gertens Garden Center as they handle Crescent Garden products and may be able to help in procuring a sample. She will continue to pursue ways to obtain a sample pot.

Questions requiring further investigation and Follow-up assignments:

- Troendle will contact Coldspring Granite to determine what type of structure is needed to safely move the 12 pieces of granite. He will also obtain the precise weights of the pieces to ensure the right type of moving equipment is used.
- Troendle will confirm with Greiner that Historic Preservation Commission approval is not needed with regard to color of crushed rock.
- Lockyear will follow-up with Abrahamson's Nursery to enquire about construction of a poured cement foundation and how apple trees might be affected.
- Lockyear will also discuss steel edging material with Abrahamson's.

**DESCRIPTION:** 

#### Library Event Planning Task Force Meeting

Date and Time: April 17, 2024 — 4:15 pm

Present: Sarah Foslien, Steve Ellison, Pat Lockyear Absent: Lori Houston

Sarah reported on staff opinions survey regarding preference for ice cream social or breakfast. 23 responded to the survey with 43.5% stating no preference, 26.1% preferring ice cream social and 30.4% preferring breakfast. The task force discussed the results and the pros and cons of each option. The catering options were discussed with Lake Elmo Inn bid at ~ \$1606 and Nelson's Ice Cream at  $\sim$  \$675. Benefits of each catering option were reviewed.

All members agreed that the Friday morning breakfast would be the better choice for this first gathering for several reasons:

- Lake Elmo catering makes it feel special.
- Breakfast is more amenable to moving indoors if weather is bad.
- It will result in less work for staff/volunteers in setting up and cleaning up.

All agreed that June 21 would be the best option for a Friday breakfast as the 28<sup>th</sup> conflicts with a Foundation Board meeting and the other dates give less time for planning. Everyone agreed that the best time frame would be between 8:00 and 9:30 am with clean-up completed on or around 10:00 am.

The menu for the breakfast was discussed. Pat suggested that a nut free caramel roll and granola toppings be added to the menu. Sarah suggested decaf coffee and tea also be added. Pat offered to ask Lori to request these items and update the bid from Lake Elmo Inn.

Possible activities to facilitate interactions and introductions were discussed. The group decided on including a Book on Your Back activity where attendees have a classic book cover on their back and must guess the title and author by asking questions of others. Ellison and Lockyear agreed to provide titles to Foslien in order to print book covers.

A second activity of creating a book tower was discussed. The book tower of unwanted books could be created by each individual putting a book on the established base as they leave the event. The tower would need to be completed later over time. Sarah and Steve expressed support for the idea as it would be something everyone could contribute to and would leave an object to be admired and appreciated. Pat offered to discuss this idea with Troendle to see if it would create problems for maintenance and discuss the logistics of such a project.

Sarah volunteered to create an invitation to be mailed via USPS with back-up of email. She will provide the Task Force with a sample invitation before the May board meeting. Ideas for a theme/title for the event were discussed. Breakfast for Book Lovers was suggested.

**Public Library** 

#### Assignments to be completed by May 14:

Sarah will create invitation samples

Pat and Steve will send classic adult and children book titles to Sarah to print book covers Lori will update menu and bid with Lake Elmo Inn

Pat will consult Mark re: second activity of building book tower

#### Next Meeting:

TBD if necessary to finalize details of activities/invitation

The following recommendations will be brought before the Board of Trustees in May for approval.

- Hold a Friday morning breakfast catered by Lake Elmo Inn on June 21 between 8:00-9:30 am on the library terrace or in the Margaret Rivers room in the event of bad weather.
- Menu to include caramel rolls, fruit, yogurt with granola toppings and beverages.
- A budget estimate of between \$1600 \$1800 including catering, postage and invitation/ activities supplies.
- One activity is recommended with a possibility of a second activity to encourage interactions.
- Staging of the event would involve some staff time to arrange tables for caterer either on the terrace or in Margaret Rivers Room. Caterer would handle all other set-up and clean-up.

### Task Force Charge

Address the following issues to develop a plan to launch a social event in 2024 which could be sustained in the coming years. Bring recommended plan to the May 14 Board meeting.

- What type of event to hold
- Determine whether or not to include entertainment/games/activities
- Decide where the event should be held
- Propose a date for the event (if held at the Library, must happen by end of June or after October to accommodate the terrace re-roofing project)
- Suggest a budget estimate not to exceed \$2,000.00 of 235 Fund (Unrestricted Donor Funds)
- Outline the set-up and staging of event who will handle this and what will be involved

### Stillwater Public Library Foundation Board Meeting – March Meeting – Held 3/22/24 IN PERSON & VIRTUAL

Members Present: Elsbeth, Summer, Ryan, Shawn, Sandie, Roger, Mark Remote: Kevin, Dustin, Jeanne, Erin, Drew

WELCOME: President Summer called the meeting to order at 8:30 and welcomed everyone present

February Minutes approved (Ryan and Shawn)

Reports for the monthly meeting:

President's Report:

- Attendance of the Friends of the Library March meeting by Summer (2<sup>nd</sup> Monday of the month. They are trying to get their membership to 100 and Summer passed out registration pamphlets for board members (\$20 membership annually). Mark noted the Friends are purchasing two new AED's for the library. They are a valuable (but different from us) source of volunteers and financial support for the library.
- Summer and Elsbeth attended the last ½ day SCVF class and got some great ideas on board engagement/fundraising. Instructor Gary Kelsey discussed the steps of developing a planned, soft approach to donors: Identification, Cultivation, Education, Solicitation, Appreciation; noting that we're not 'selling' as much as developing relationships with donors who want to support the SPLF. He noted that all board members need to be involved with this aspect of a non-profit and there are many ways to engage that aren't a straight ask for a donation. More below.

Library Director's Report:

- Library Director's packet on Google Drive highlighting a <u>record</u> year for circulation, program attendance, and library use.
- Cyber Security has been updated online timesheets now in use.

Treasurer's Report:

- Review of Balance Sheet and continued emphasis of cleanup of restricted funds. Working with Mark and Keri to closeout some of the smaller categories
- Review of P&L statement
- Elsbeth presented a Gift Acceptance Policy. A draft proposal was sent out with this month's meeting announcement. Kevin had made some minor recommendations. After some discussion, a motion was made to accept the policy and was passed (Shawn, Sandie)

Marketing Report:

- Light a Spark will be reviewed in more detail at next month's meeting.
- FLL:

- Postcards mailed yesterday. Additional postcards were available at the meeting and additional ones available in Elsbeth's office.
- Chamber of Commerce to post on their site.
- Alcohol permit obtained.
- The Grand will provide food, but the menu has not yet been decided.
- Valley Bookseller will provide books that the author/presenter will sign.
- We will be having a Board get-together at Drew's home May 10. Significant others are encouraged to attend. Please bring something to share. Beverages will be provided. An electronic invitation will be forthcoming.
- Townie Tuesday at Lift Bridge will be on Sept 10 from 5:30 7:30. This event is to promote the SPLF and the library. All board members are encouraged to participate. An invitation to the mayor will be sent. Lift Bridge donates \$1 for all beverages and more for growlers sold that day. Suggestions for a raffle at the event to encourage donations will be discussed at future marketing committee meetings.
- April 7 13th is National Library week and activities are being planned at the library.
- The SPLF logo is being reviewed by the marketing committee. Changes were recommended and forwarded to the printer.

Director's Report:

- Elsbeth will be attending an International Library conference in early June.
- Administrative assistance applicants are being screened by Elsbeth, Erin, and Roger. Over 20 applicant resumes have been submitted. There are multiple "excellent" candidates. Phone interviews followed by in-person interviews will begin next month.
- Boomerang DB should be "live" next week. On-line giving is on pause for the time being. It should be available prior to LAS.

Old Business:

• Susie Danielson is now an employee of the library reporting to Elsbeth. She was previously a contract employee.

Action Items:

- Budget request was proposed by Elsbeth regarding a recommendation by the Library Advocacy committee she is on. The request centered around information being sent to new families regarding the programs/facilities available at our library (handout provided). The request was for \$6,500. After discussion, the motion to approve the proposal was passed (Shawm/Ryan).
- Approved a request to submit for a \$10,000 grant to Stillwater Sunrise Rotary.

### Board Training:

Elsbeth led a discussion outlining Engaging the Board in Fundraising based on the SCVF seminar she and Summer attended. . Instructor Gary Kelsey discussed the steps of developing a planned, soft approach to donors; noting that we're not 'selling' as much as developing relationships with donors who want to support the SPLF. He noted that all board members need to be involved with this aspect of a non-profit and there are many ways to engage that aren't a straight ask for a donation. Regardless of your comfort level around this topic, there is more than one way to approach the topic. The 5-step approach was:

- o Identification who are our donors-who do each of us know?
- Cultivation participate in events, discuss impact of the SPLF, etc.
- Education enable board members to discuss with donors what we do/how the foundation supports the library
- Solicitation board members working with donors to develop/increase
- Appreciation recognize and support our donors always thanking them

Code of Ethics policy discussed and passed (Jeannie/Drew)

Other Business:

- February donor list presented, discussion regarding discontinuation in the future, we're looking for a better way to utilize this information-Bloomerang should help.
- All donors HAVE BEEN getting appreciation letters; this will continue with Bloomerang.

Moved for meeting adjournment at 10:05. Moved and seconded (Roger/Shawn)

#### Dec. 2023 Coop roundup total

> \$2,113.44

#### Our next Coop roundup is Oct. 2024

Co-op will provide a table if FRIENDS would like to greet visitors and provide information to patrons at the Co-op. We need to reach out to the Co-op on date and time if we would like the table setup.

FRIENDS would like to set up a tip jar at the next Booksale. Many patrons want to donate a few extra dollars when purchasing books. Suggestion was to put some sort of tip jar out for that purpose.

#### FRIENDS bought a new cash box.

SCANNERS at the Booksale: We are WORKING ON a new process for managing people with SCANNERS New scanner registration sign up ideas:

- Write up a SALE Receipt, asking them to bring this receipt if they return a different day during that sale. New purchase is needed for each Spring and Fall Booksale's.
- FRIENDS member at checkout start a Master list of customers who have paid SCANNER FEE of \$35.00
- Stamp their hand (ink) hoping it may be visible when they return if they do return and forget their receipt.

- Mark is talking with the fire department about recommendations for an automated external defibrillator (AED). The Friends generously offered to fund replacements. Mary Ann and Mark talked about replacing an AED on the lower level and adding one in the gallery.

- Library board president Pat Lockyear and Mark were invited to speak at Stillwater Township's annual meeting tomorrow night.
- > 2023 was another record year for borrowing at this library. More information will be shared next month.
- The two new trustees who joined the library board in January are Bevin O'Brien and Steve Ellison. Bevin is an elementary media specialist and has a teaching background. Steve is a lawyer. Both are great additions to the board.
