Our programs are always FREE! Some require registration. If you see the * symbol, please click, call, or come in to register.

Embark on a journey into the natural world with Andy Weaver, retired Stillwater Area High School biology and environmental science teacher. As the Naturalist-in-Residence at Stillwater and Bayport public libraries, Mr. Weaver invites children (ages 8+) and their families to delve into the rich ecosystem of the St. Croix River Valley. Each program is offered twice. Some programs will be held outdoors at an offsite location. Register at library.stillwatermn.gov/naturalist.
