Lockyear commented that the board can continue to work on understanding the library's budget and financials, advocating for the library, and monitoring the library's strategic plan. Panciera noted that most ratings were 4 and 5.

Trustees discussed the comments and described the training suggestions as helpful.

Burns noted that the board has a solid request for review policy documents, but he suggested including bullet points on the request for review process as a refresher for the board. BACKGROUND/CONTEXT:

Following is a budget status report through November 30, 2024.

## Fund 120 - Capital Outlay

The capital budget for 2024 is \$820,000. \$470,250 has been expended to date.

- \$750,000 is for the terrace roof project using capital improvement reserve funds. A portion of this project's cost \$470,250 was paid by the city in October.
- \$50,000 in city capital was initially allocated for masonry but reallocated by the city to the terrace roof due to the roof project bid being \$796,650. The masonry project has now been added to the capital project plan for 2025.
- \$20,000 is a grant from the Huelsmann Foundation. It was originally intended to prepare the
  4<sup>th</sup> Street garden area for the relocation of the Kinji Akagawa sculptures in coordination with
  the terrace roof project. Revised plan is to use funds to enhance the 4<sup>th</sup> Street garden area
  and add a Huelsmann memorial plaque. Landscaping bill of \$15,926 will be paid in November.

### Fund 230 – Library (City \$)

#### Revenue

The library's city budget for 2024 is \$1,593,783. This consists of \$1,565,996 from the city levy and \$27,787 in projected library revenues (which include meeting room fees, copy charges, and \$17,167 in-kind volunteer coordinator wages). \$11,292 in library revenues have been received to date.

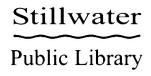

## **Operating Expenditures**

*Operating Personnel:* The operating personnel budget is \$1,148,282 (excluding the in-kind volunteer coordinator). Expenditures are \$979,618 through the 11/16/2024 pay period. This is about \$27,000 under the budgeted pace due to open staff positions and healthcare election changes.

**Collection:** The library budgeted \$60,100 in city funds for the purchase of print, audio, video, and electronic materials for circulation. This accounts for just under 50% of the total collection budget with the remaining purchases funded by supplemental gifts (Friends, Foundation, Lawson, etc.). \$56,153 in city invoices have been paid to date.

**Technology:** The library budgeted \$66,000 for technology-related expenditures of IT equipment (\$29,100); selfcheck and sorter maintenance agreements (\$21,000); tech apps and support (\$9,500); and the circulation system (\$6,400). \$52,590 expended to date.

**Other:** The library budgeted \$32,436 for other operating expenses. This includes vendor fees for processing/cataloging materials; legal, HR, and other professional service fees; general insurance; and supplies. \$27,516 expended to date.

BOARD MEETING DATE: December 10, 2024 Agenda Item: 3c

## Plant Expenditures

**Plant Personnel:** The plant personnel budget is \$131,195. \$113,477 expended to date through the 11/16/2024 pay period. This is on track with the budgeted pace.

Plant Supplies & Equipment: The plant supplies budget is \$6,500. \$9,254 expended to date.

*Plant Services and Charges:* The plant services and charges budget is \$147,700. \$85,041 expended to date. The key budget items are:

- Energy (\$80,000): \$51,840 expended to date. Electricity is on track with budgeted pace, but gas is running significantly under budget. Mild weather conditions throughout year have reduced heating/cooling energy usage.
- Insurance (\$42,000): Insurance costs won't be known until Spring 2025.
- Building repairs and maintenance agreements (\$20,000): This is over budget with \$28,750 expended to date.

## **Supplemental Funds**

A supplemental fund report is attached. This report pulls supplemental accounts where there has been revenue received or expenditures made in 2024.

**223 Personnel Grant:** This account holds expenditures for grant-funded staff hours for Sundays, the YS librarian position, and programming subs. \$53,933 expended through the 11/16/2024 pay period.

#### **Major Accomplishments**

- Danette Parr, the city's new Community Development Director, was provided a tour of the library on November 18.
- While the Friends of the Stillwater Public Library did not have a board meeting in November, their treasurer reported the November book sale was very successful, surpassing previous totals!
- Thank you to Pat for switching out the fall-themed planting to a winter theme in the pot by the 4<sup>th</sup>
   Street entrance.
- 2025 holidays and closed dates were added to the library's website.

## Heads-Up

- Kanopy will likely be a new streaming service offered by Washington County Library and Stillwater
  Public Library in early 2025. Bayport Public Library has also expressed interest. Kanopy describes its
  service as a way to "find movies, documentaries, foreign films, classic cinema, independent films
  and educational videos that inspire, enrich and entertain." The content will be ad-free.
- Staff are considering making tweaks to the arrangement of certain furniture on the lower level, including the Teen and Welcome areas. In November, several staff temporarily rearranged furniture prior to opening to assess the potential changes. Goals include providing more functional seating for teens to study, and reconfiguring parts of the Welcome area to better serve the public.
   Supervisors Angie Petrie, Sarah Rosten and Keri Goeltl, along with input from other staff, have been very thoughtful about potential changes to benefit our patrons.
- A gradual rollout of new staff computers will begin on December 6.
- The library will be closed on December 24, 25, 31, and January 1.

## **Near-Term Future Focus**

- Drafting a final progress report for a 2024 grant, due December 31; and preparing a new grant application, due January 15.
- Continuing to work with Keri and our signage vendor on two projects: an appropriate plaque honoring the benefactor of our garden renovation and enhancing the parking ramp interior entrance.
- Collaborating with staff on a plan to enhance terrace amenities in 2025.

## **Agenda Item 1: Review of November Minutes**

Committee approved.

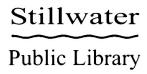

## Agenda Item 2: Updates from Trustees, Friends, Foundation, Staff

1. Trustees: O'Brien and Goeltl shared that a trustee proposed future board discussion on school field trips to the library. A school field trip to a public library was a pivotal experience as a child and may be beneficial for current students as well. The Advocacy Committee discussed that there were various factors to consider when partnering with the schools on field trips, including proposed goals of plan; proposed age group or schools; service areas of library versus school district; interest and buy-in of schools; curriculum benefits for school, grade, age-group; transportation and costs; library staffing and workload impact; privacy/confidentiality concerns (for library cards); and prioritization with other outreach, advocacy, and programming efforts. In addition, there may be other outreach options to explore that may address desired goals.

O'Brien shared that a trustee committee is interviewing candidates for openings on the board. Many outstanding applications were received, and recommended candidates will go to the board next Tuesday.

O'Brien shared that trustees inquired if the Advocacy Committee will dig deeper into the POLCO survey results. The Advocacy Committee discussed that action has already been taken on some responses; other suggestions require increased funding and need prioritization; others are more directional in nature.
